Eastern Ontario Concert Orchestra Presents Outstanding Concert

The Eastern Ontario Concert Orchestra, under the direction of Stephen Choma, presented a very entertaining and varied programme in the Stirling Theatre on Thursday evening. The orchestra was brought here through the Rotary Club of Stirling.

A fair crowd was in attendance for the concert of this ever-improving group of amateur musicians, both young and old, who, under Mr. Choma's guiding hands, demonstrated their increasing abilities as a musical ensemble.

Mr. Eugene Lang was master of ceremonies for the concert and fully described each number the orchestra performed.

The programme ranged over many areas and eras of musical styles. Overture from the Marriage of Figaro, by W. A. Mozart, was the opener, which gave the full orchestra opportunity to attest its prowess in all departments.

The orchestra continued with Little Suite for Orchestra, by F. Erikson; Highlights from "My Fair Lady", by Lerner and Loewe; In A Persian Market, by A. W. Ketelbey; Deep Purple, by Peter de Rose; Three Pieces for Orchestra, by Robert Jagger; La Gioconda, by A. Ponchielli. The Ballet Pariesien, by Jacques Offenbach, was well presented.

In the popular vein, we had a medley from the Sound of Music, by Rodgers and Hammerstein, and selections from Walt Disney's "Mary Poppins" by R. M. Sherman and R. B. Sherman. All of these were handled brilliantly by the orchestra with flair and bounce tossed in for good measure.

Francis De Carroll, of Campbellford, guest soloist, sang into the hearts of his listeners. He rendered during the concert, For You Alone, Martinista, Ae Fond Kiss and Water Boy. As an encore he sang Heather on the Hill. Lenna Baker was the accompanist.

Two encores were given by the orchestra, to the continued applause of the audience. Proudfess prevails here, in that Mr. Choma is as proud of his charges to the same degree as the residents of this part of the province hold him in the esteem he deserves for the marvellous way that he has guided his half hundred musical personnel.

Dr. J. Jagaciak, President of the Stirling Rotary Club, at the conclusion of the concert, presented Mrs. Marion Stratton, Concert Master, with flowers, on behalf of the local Rotary Club.

Following the programme the musicians and their families were served refreshments by the Rotary Club.

89th Anniversary

Congratulations are extended to Mr. James Menzies, Mill Street, who quietly observed his 89th birthday anniversary on Wednesday, March 27th.

Inter-County Team Still In Playdowns

On Saturday, March 30th at Bancroft, Maynooth defeated the Stirling entry in the Inter-County playdowns by the score of 9-5. It was a gruelling hockey game. Stirling fell behind 6-1 and made a good come-back but were unable to overtake the Maynooth team.

Won Here Sun. Night

The Stirling Rebels came up with an excellent performance on Sunday night and defeated Maynooth 12-4 at Stirling Arena. It was kind of a damp affair but a little water never hurt anybody.

Next Game Friday Night

The next game in the series will be played Friday, April 5th at 9.00 p.m. at the Trenton Memorial Arena.

William Runnalls, Of Harold, Receives Centennial Medal

At the regular meeting of Rawdon Township Council on Monday evening, April 1st, Wm. Runnalls, of Harold, was called to the front and officially presented with a Centennial Medal by the Reeve, Burton Morton. Mr. Runnalls received the medal in recognition of his 40 years of service as a Rawdon mail carrier. Mr. Runnalls, although handicapped, has faithfully discharged his duties. During his long service, he has missed only one day through illness. His friends along the route which he served knew they could depend on "Billy", and everyone feels very happy that his humble service could be so suitably recognized.

Appointed Manager Frankford Branch

Arthur Loucks, manager of Stirling Lumber Ltd., announces the appointment of Garnet Thain as manager of the Frankford Branch of the firm. Garnet has been with the company for many years and his many friends wish him the best success in his new position.

Attending Funeral

Bob Taylor, of town, left on Saturday to attend the funeral of his grandfather, the late Robert Taylor, at Millerton, New Brunswick. The funeral service was held on Monday of this week.

Appointed As Meat Manager

Mr. Leon Shortt, of town, has accepted the position of Meat Manager at the local Red & White Food Store. His duties will commence when the new owner, Mr. Lorne O'Hara, takes possession on April 15th.

The Good Old Days

Nora Stapley added much to the happy afternoon as she played soft music on the piano and often swung some of the old hymns to a rhythm that makes twentieth century tunes take a back seat.

The only CROOK in Senior Citizens demonstrated that he is a natural computer as he rolled up three wins in a row over his opponent in cribbage. He went around the board like an adding machine.

It was a good old fashioned afternoon. Speaking of old fashioned days, reminds me that sixty years ago, folks boiled coffee and settled it with an egg. The only Reds known then were red flannels and people were more interested in each other than they were in cows.

Neighbours asked about the family and meant it and when a man dressed for the evening, he put on his night shirt. All the neighbours got fresh liver at hog killing time and parents were the only baby sitters. Rip Van Winkle slept for twenty years and no one asked him to endorse a mattress. Young people not only married for better or for worse — but for good and a man made the same wife do for a lifetime. Then, there was no place like home.

Gimme that place called "Home Sweet Home". It's better by far than riches, 'Cause when you're in your own sweet home, You can scratch any place it itches. Dis Ole Scribe.

Work Started On Liquor Store

Work has commenced on the construction of the Stirling Retail Store for the Liquor Control Board of Ontario. Site of the store is just north of the CNR railway tracks on the east side of North Street.

General contractor is Harron Construction Limited, Toronto. The contractor points out that local sub-trades will be used as much as possible.

Size of the building will be 88 ft. by 34 ft., of brick and aluminum siding construction. Completion date is set for July 1st of this year.

Christmas Cactus In Bloom

Mrs. Garry Kelly, Holloway, has had a Christmas cactus in bloom since the middle of December. She reports that the blooms keep falling off and new ones come on again.

Local and Personal

Mr. John Haggerty, Ottawa, was a week end guest of his sister, Mrs. Ken Ray. Mr. Ray and other relatives in Stirling and vicinity.

River Valley W.I. Euchre Party

River Valley Women's Institute sponsored their twelfth card party at the School House on Friday evening, March 29th, with forty people in attendance. Twenty visitors were present from Belleville, Trenton, Havelock, Mount Pleasant and Stirling.

Mrs. Roy Irven, Mrs. Vernon Harry and Mrs. Ernest Carr convened the party for the Home Economics and Health Group.

The awards were: Ladies' high, Mrs. Bert Bedford; second, Mrs. Gordon Apperley; Mens' high, Carman Fitchett; second, Ed. Heasman.

Joyce Carr distributed a small gift to each lady in attendance which had been provided by Mr. Wm. Ashby.

The president, Mrs. Glenn Bush, spoke briefly and announced that this was the last card party of the season and she thanked everyone for their patronage.

Bert Bedford voiced thanks to the members of River Valley Women's Institute for providing a source of entertainment for so many visitors who had thoroughly enjoyed the various card parties during the winter. Refreshments were served and a social half hour enjoyed.

Cde. Bert Bastedo Appointed Deputy Zone Commander of Legion

Together with a fine turnout of other Branch representatives, a party of six members of the Stirling Legion — Cdes. E. Wilson, President; B. Bastedo, Secretary; D. Donohoe, W. deJong, B. Glendinning and F. Houchin, attended the Spring Zone Meeting held at Marmora on Sunday, March 31st.

Zone Commander Earl Brant presided, as regular business was dealt with. Several Branch honours were presented.

Highlight of the meeting was the appointment of Cde. Bert Bastedo, of Stirling Branch, No. 228, as Deputy Zone Commander.

Cde. Bert has considerable knowledge and experience of Legion affairs, and the appointment of this popular member was well received.

Stirling Branch is honoured by the appointment and congratulates Cde. Bastedo on taking what could well be the first step to the top.

Dinner was served by the Marmora Ladies' Auxiliary to those able to stay.

Mr. and Mrs. J. B. Belshaw Entertain Village Council

Mr. and Mrs. J. B. Belshaw were hosts to members of Stirling Village Council at a dinner party held at Hum's Restaurant Monday evening, prior to the regular monthly meeting of Council. The occasion was a "thank you" from Mr. Belshaw, who was recently honoured by being presented with a Centennial Medal for recognition of valuable service to the nation.

Those in attendance were Mr. and Mrs. J. B. Belshaw; Reeve Donald W. Rodgers; Councillors Robert Anderson, Maurice Faulkner, Robert Hulin, Claude Trumble and Clerk-Treasurer W. L. Pollock.

Following the dinner, Reeve Rodgers expressed thanks to Mr. and Mrs. Belshaw for the kind gesture to Council.

In Hospital

Residents in Belleville General Hospital include Miss Shirley Nunn, Mrs. Ethel McCaughen and Mrs. Viola Emmons.

St. John's A.C.W. Monthly Meeting

Mrs. H. Wall was hostess to St. John's A.C.W. on Monday, April 1st. After the opening hymn, Mrs. Jack Green took the prayers and Mrs. E. Reid read the gospel for Passion Sunday. Mrs. G. Noble acted as secretary, due to the illness of Mrs. W. Webber. Reports were given by Mrs. A. Edwards, Mrs. F. McGee and Mrs. H. Parsonson and Mrs. J. Green.

The A.C.W. will serve lunch to the male choir of Christ Church after the service on Palm Sunday.

Mrs. Frank McGee will be the delegate to the A.C.W. Annual at Christ Church, Belleville, on May 7 and 8.

Mrs. G. Noble read an article on "The Flowers Appear". If we will but listen, God's created works will teach us precious lessons of obedience and trust.

The annual Thankoffering was received and dedicated. The president closed this part of the meeting with prayers.

Mrs. A. Edwards took charge of the programme which consisted of a reading on spring cleaning, by Mrs. F. McGee; The Season of Lent, by Mrs. Edwards, and a contest, which was won by Mrs. E. Reid.

Mrs. S. McArthur thanked the hostesses and her assistants.

The May monthly meeting has been cancelled because of the Annual Meeting.

April Is Cancer Month; Campaign Now On In Stirling and District

April is Cancer Month. Starting April 1st, the Stirling and District Branch of the Canadian Cancer Society and its sister units across the country will be knocking on every door to ask citizens' financial support to fight this killer. The campaign will go on all month.

The Stakes Are Life

The stakes are big. Life or death. And the fight goes on, desperately. Five hundred top-ranking Canadian research scientists and technicians, working in 16 universities and research centres are searching for ways to discover exactly what happens to cause cancer and how to cure it.

Cancer strikes in many ways — a tumor in the brain, leukemia (cancer of the blood), a tumor in the colon, stomach, lungs, the eyes, the cervix or other parts of the human body. It takes a lot of money to combat this killer.

This year, the Society seeks over \$5,000,000 in its April campaign to finance its three-fold program of research, public education and services to cancer patients.

One of the main objectives of the Society is the education of the public about cancer. This is achieved partly during the door to door canvasses when life saving information is left with the public.

Give generously when the volunteer canvasser calls.

Celebrates 94th Anniversary

Congratulations are extended to Mrs. Chas. Mumby, of Harold, who will observe her 94th birthday anniversary on Sunday, April 7th. Mrs. Mumby enjoys good health and expects a large number of callers during the day to extend good wishes.

Laurel Lodge News

The regular meeting of Laurel Rebekah Lodge was held on March 26th with a good attendance. There were no members reported ill. The N.G. reported that D.D.P. Sister Hilda Sexsmith will be making her official visit to our Lodge on April 9th.

Following Lodge, a delicious lunch was served downstairs by Sisters Betty Johnson and Marjorie Stapley. Sister Eileen Woodcox thanked the committee on behalf of all present.

Bridal Shower For Marilyn Anderson

A very pretty bridal shower for Miss Marilyn Anderson was held on Saturday, March 30th, at the home of Mrs. Edwin Warren, given by Mrs. Larry Pyear, Guelph, and Mrs. Sandra Whitmore, of town, as co-hostesses.

The bride-to-be was presented with a corsage of pink carnations.

About 28 guests enjoyed a cold plate supper at 6.30 p.m. The serving table was gaily decorated with a large pink rose. Pink streamers from the chandelier were caught by smaller pink roses at each corner of the table. The quartet tables were covered by pastel green cloths and featured miniature flowers and pink candle centre-pieces.

Throughout the evening, several games and contests were enjoyed. Marilyn then took the chair of honour under a bedecked pink umbrella lamp, and was the recipient of a large white bathroom hamper, round, black bathroom scales and a gold and white vanity carousel.

Marilyn thanked Mary Ellen, Sandra and Mrs. Warren and voiced her appreciation to all for these very smart and useful gifts.

At Convention

Mr. Arthur Loucks, manager of Stirling Lumber Ltd., and Mrs. Loucks are attending the Annual Convention of the Ontario Retail Lumber Dealers Association being held at the Royal York Hotel, Toronto, this week.

It's A Bear!

Sunday evening about 9 o'clock, Mrs. Charlie Irvine, R.R. 1, Ivanhoe, went to investigate a noise in the woodshed of her farm home. Upon opening the door she came face to face with a large black bear rummaging in a garbage can. Mrs. Irvine says that she doesn't know who was scared the most.

Firemen's Jamboree Very Successful

A western type jamboree, sponsored by the Stirling Volunteer Firefighters, held at the Stirling Theatre on Saturday, was a decided success.

Roger Snider, of Marmora, very capably acted as master of ceremonies for the variety programme.

During the evening, a cheque for \$376.00 was presented by Fire Chief Mouch to Reeve D. W. Rodgers, to be turned over to the Muscular Dystrophy Association of Canada.

It should be pointed out that all the entertainers donated their services to this worthy cause.

Mrs. Orrie Seeley, of town, was the winner of a travel alarm clock, donated as a door prize by the "Brothers-in-Law" group of entertainers.

Following the programme, the artists were served lunch at the Recreation Room at the Fire Hall by wives of the Firemen.

The local Fire Department wishes to express thanks to all the entertainers for their assistance and to the many people of Stirling and the entire district, who by purchasing tickets and assisting in various ways, made the event the success it was.

Your Weekly Smile

A minister came upon a member of his flock going home a little unsteady, and gave him a helping hand.

Pressed to enter the house, he murmured:

"Come in, man," he was urged, "and let the good wife see who I have been with tonight."

Wellman's' W.I.

The March meeting of Wellman's Women's Institute was held at the

home of Mrs. Byron Seeley. The President, Mrs. A. Akins opened the meeting by all repeating the Institute Ode, followed by the Lord's Prayer. Roll call was answered by giving one reason why overweight affects your health.

A donation was given to Mr. and Mrs. G. Russett after the misfortune of a house fire.

Mrs. E. Cotten reported on the Annual executive meeting at Madoc. Rylstone W.I. will be hostess for the Annual Convention.

Mrs. F. Beckett paid into the birthday box and Happy Birthday was sung.

Mrs. Beckett gave the current events. Miss Virginia Pollock prepared and gave the motto, "If you are dog-tired at night, perhaps you grew tired all day." Mrs. G. Clancy gave the motto, "Drugs and You."

Mrs. K. Tompkins sang a solo and Mrs. F. Beckett and Dawn Beckett played a piano duet. Mrs. B. Seeley conducted a contest. The meeting closed with the Mary Stewart Collect and the Queen. The hostess and her assistants served a dainty lunch.

Entered Into Rest

THE LATE DAVID LUERY

Mr. David Luery was the youngest and last of eight children of the late George Luery and Annie Johnson. He was born on March 3rd, 1880, on the homestead on the 13th Concession of Rawdon. After his father's death, he farmed with his brother, Nelson, until 1915, when he decided to make a change. Dave took over the management of the Mining Company's store at Deloro. In 1917, he accepted work with the Burt Critsinger Pulpwood Co. of Niagara Falls, N.Y.

He travelled extensively in Lower and Upper Quebec and Northern Ontario, inspecting pulpwood. In 1920, he married Mary V. Chisholm, of Myrtle, where they resided until 1948 when Dave retired; and in 1949, they moved to Stirling.

His death on March 8th in Belleville Hospital resulted from a fall in the basement of his home, breaking his right thigh bone close to the hip joint.

Mr. Luery rested at the Duffin-Hogle Funeral Home until 9.30 Friday evening, thence to the Robinson Funeral Chapel, Brooklin, Ont., on Saturday, at 11 a.m. The service at 2 p.m. was conducted by the Rev. W. Patterson of Myrtle United Church.

Many friends from Myrtle, Brooklin, Whitby and Oshawa attended.

The pallbearers were all Myrtle friends: Elwood Masters, John Maw, Clarence Harrison, Merrill Ross, Elmer Johnson, David Duchernin.

Interment was made in Groveside Cemetery, Brooklin.

Ten Pin League

Saturday, March 30th —

John Reichert's Hi-Lo's 5 (107); Ralph Scea's Hot Shots 2 (82).

High single, Keith Johnson 202; high triple and average, Ray Poste 514 and 159.

Other good triples and singles bowled were Keith Johnson 459; Ralph Scea 453 (180, 148); Bob Hart 455 (171, 145, 142); John Reichert 443 (180, 147); Bill Reid had a 152 game and Harold Johnson a 145.

Carmel

(Mrs. Arthur Pyear)

Visitors of Mr. and Mrs. Joe Grills last week were Mr. Eckel Grills, Baltimore, Mr. Garnet Grills, English Line,

Mrs. Rada Hegdell, Campbellford, and Mr. and Mrs. George Scott, Weston.

Leslie Pyear spent a few days in Belleville Hospital when he had his fractured left arm operated on. He sustained the injury in a hockey match.

Mrs. Roscoe Robson, Holloway, spent Saturday with her daughter, Mrs. Douglas Pyear.

Last year a total of 5,502,000 free cancer dressings were provided by units of the Canadian Cancer Society to cancer patients in all parts of Canada. Cancer research depends heavily for its support on voluntary contributions to the April campaign of the Canadian Cancer Society.

Dollars and Good Sense

This column is a regular weekly feature prepared by the Family Financial Counselling Service of the Avco Delta Corporation, P.O. Box 2820, London, Ontario. All questions submitted to the above address will be answered, in print or by return mail. Names will not be used in print. However, all questions should be accompanied by a complete name and address.

QUESTION — Dear sir: I read look out for:

your answer to the fellow who bought a used car "on approval" and when he brought it back and said he didn't want the car, he found that he had already signed a purchase agreement which the dealer wouldn't let him out of. I'm in the market for a good used car. Are there some things I should keep my eyes open for? —R.G.

ANSWER — One thing you should look out for whenever you buy a major item on time can be described in four words that will serve you well. "Watch what you sign."

Most difficulties between buyers and used car dealers can be traced to a failure on the part of the customer to know — for sure — and to understand exactly what is on the sales contract. Remember, it matters not one whit what the salesman tells you he is going to do. What counts is what's written in the contract. If you have come to some agreement with the salesman about service, or price or special equipment on the car, be certain the details are in the written contract — and don't sign it until the terms are there.

Now, a couple of other things to

Don't sign a contract on which all the blanks have not been filled in. If the salesman tells you "my secretary will fill in the blanks in the morning," tell him you'll be back when the blanks are filled in.

Don't sign carbons or extra copies without checking to see that the terms are the same as they are on the original.

If the salesman takes a contract "to have it approved by the manager," read it again when he returns. How do you know he's brought back the same contract?

Don't be stampeded, either into selecting your purchase or into signing the contract. Make sure the car you buy is the one you want; then, after all the terms of the contract are clear to you, take 24 hours to think the whole deal over. Take an unsigned contract home with you and study it. If you have any questions, have them explained to you to your satisfaction before you consummate the deal.

And finally, do business with a reputable dealer. It's your best insurance against future trouble.

DEPARTMENT OF LANDS AND FORESTS

NOTICE

UNDER

The Forest Fire Prevention ACT AND REGULATIONS

The 1968 fire season in the Tweed Fire District commences on April 1st and will continue to October 31st. During this period a Fire Permit is required before setting out fire to dispose of grass, brush or other debris. The Fire Permits are available at Forest Ranger Headquarters or from authorized Fire Wardens in Municipalities.

Work permits are required for all woods operations which may create a fire hazard, except where land is being cleared for Agricultural purposes. Work permit applications are available at Lands & Forests Offices.

It is an offense under the Act and Regulations to discard lighted smoking materials or to fail to control or extinguish a camp fire.

The forest Fires Prevention Act and Regulations are applicable within all Townships in the Fire District.

**A Delayed
Industrial
Revolution**(Thirteenth Of A Series)
By WALT MCDAYTER

The Industrial Revolution began in England as early as 1760, but did not really spread to this country until the year that Canada became a nation, in 1867.

Prior to Confederation, there was very little manufacturing in Canada, apart from a few simple products such as flour or wood-ash potash. The economy depended more on the exports of commodities in their raw states, such as furs, fish and timber.

After 1867, however, Prime Minister John A. Macdonald framed a protectionist trade policy to encourage the development of manufacturing, raising a high tariff wall around Canada, to protect fledgling industries from foreign competition.

The National Policy, as Macdonald named his tariff program in 1879, paid big dividends. Following Confederation, Canada doubled its exports to Britain, and increased it by one-third to the United States. By the turn of the century, manufacturing had more than doubled.

And it was at about the time of Confederation that pulp and paper... destined to become Canada's leading industry... got its start. It was in 1866 that Alexander Buntin built the first wood-grinder in North America, at Valleyfield, Que., to make wood pulp. At about the same time, John Thomson established Canada's first chemical wood-pulp mill near Sherbrooke, Que.

The substitution of wood pulp for rags in the processing of paper opened an entire new economic vista in Canada. This nation houses the largest soft wood reserve in the world (chiefly in British Columbia, Ontario and Quebec), and it was not surprising that newsprint production soon became one of our most lucrative industries. Canada today is the largest newsprint producer in the world.

Today Canada can boast being among the top four exporting nations of the world, and consequently enjoys a standard of living second only to the United States. Some of our leading manufacturing industries are in clothing and textile, electrical equipment, motor cars, aircraft and airplane parts, chemicals, rubber, and petroleum products.

But manufacturing has still a long way to go. To this day, most of our exports leave the country in raw form. This is draining our natural resources, and is robbing the industrial segment of our economy of its chance to fully mature. This will be partially corrected in the future.

CANADA'S CENTURY

A news background special on the Centennial of Confederation

Early farmers supplemented their meagre incomes by manufacturing and selling potash. —Imperial Oil Collection

Both World Wars did much to industrialize Canada, especially in munitions, ships and aircraft, spurring the growth of the iron and steel industries as well, and aluminum and electronics especially in the last war.

Foreign ownership — especially American — is another critical problem facing Canada. However, Canada in recent years has been growing less dependent on external capital for domestic expansion, and Canadians have shown far more eagerness in investing in their own nation's future.

It will be necessary, however, to find a way to spread our industrial growth more evenly across the nation. Presently almost half of Canada's manufactured goods are produced in Ontario, and another one-third in Quebec.

APRIL IS CANCER MONTH

The annual spring appeal of the Canadian Cancer Society is an important event in the struggle against this insidious disease. It reminds us that man has not given up his determination to conquer this formidable foe.

The Canadian Cancer Society, through services and donations, provides timely help for those who are afflicted by this disease. It also provides funds for far-reaching and persistent medical research which will someday reveal both the cause of and the cure for cancer. We may be thankful as individuals to those who devote themselves to financing and running the Society and who give us the opportunity through the appeal, to make a contribution to this humane and essential programme.

IS YOUR HEIFER RAISING
UP-TO-DATE?

We do a good deal of talking about profitable feeding of the milking herd, but all too little about profit-making feeding programs for replacement heifers.

Most dairymen today do a good job of handling baby calves, and grow them along well for the first few months. Then, through poor nutrition in the yearling stage all the advantage gained by good early growth may be lost.

A little extra feed will make a big difference in the growth rate, and allow us to get those heifers into production earlier. Until they start to milk they are a bill of expense. It pays off to get them into the milk string as soon as possible.

We hear a great deal of discussion about when heifers should be bred. The age at which first heat occurs is co-related to body size, not age. Studies at Cornell have shown that regardless of the rate of growth, holstein heifers will come in heat about 610 pounds, or when average wither height is 46 inches.

In a test with three groups of heifers, this size was reached at 20

months, 11 months and nine months, according to how well the heifers were fed.

We like to breed heifers to calve at about 22 to 24 months of age. Younger calving does not work out too well. In experiments, heifers calving at 20 months have usually had more trouble calving, even when well grown.

Surprising as it may seem, it is not more expensive to grow heifers well than to grow them poorly. It does take more feed, and so will cost more per month, but the total cost is reduced by the shorter growing period.

A very special word of warning. It is very important that we do not over-feed growing heifers. The good cattle man, though, can guide his judgment by the condition of the heifers, and adjust the feeding accordingly.

The heifer should get three to four pounds of grain mix per day up until about two months before calving when it can be stepped up to eight pounds. Two weeks before calving increase the grain an extra pound per day until she is getting about 15 lbs. per day to get her started on the "lead" or "challenge" feeding program recommended for milking cows.

MR. AND MRS. MICHAEL GERALD MALLOY MALLOY -- DRACUP WEDDING

Wellman's United Church was the setting for an early Spring wedding when Miss Bonna Ruth Dracup, daughter of Mr. and Mrs. Omar C. Dracup, became the bride of Mr. Michael Gerald Malloy in a double ring ceremony at twelve o'clock Saturday, March 16th, 1968. The church was adorned with baskets of pink and yellow gladioli.

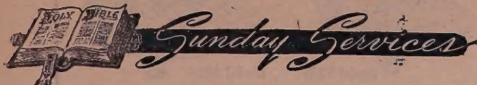

Rev. W. C. Cox officiated at the ceremony. Mrs. Gerald Clancy rendered the wedding music and accompanied the soloist, Mrs. Jim Pollock, who sang "Each For The Other" before the ceremony and "The Wedding Prayer" during the signing of the register.

The bride, given in marriage by her

Educational Changes in Hastings County Public School Area No. 2

The Public School Board of Hastings County School Area No. 2 is planning a building and buying program in Central Hastings which will allow for the closing of twenty-four one room and two room schools.

The program, which will cost approximately \$1,200,000 includes addition of seven classrooms to the Earl Prentice School at Marmora to meet the needs of pupils from the northern portion of Rawdon Township, pupils from Marmora and Lake Township, Deloro and Cordova Mines. Seven additional classrooms at the Madoc Public School will accommodate children from Huntingdon Township, Madoc Township and Madoc. Senior public schools are planned at Marmora and Stirling where the Board has made an agreement with the Bay of Quinte High School Board to purchase the two existing High Schools. The acquisition of the Stirling High School will allow pupils from the southern portion of Rawdon Township and those from West Huntingdon to attend the Stirling Public Schools. To give the children of Hungerford Township equal opportunity in a large school the Board will use nine portables in conjunction with the S. H. Connor School at Tweed. The use of the portables allows for future consideration of the Tweed High School if it becomes available for elementary school use within the next few years. The portables will also be available for county use to carry over peak periods of enrolments.

In arranging for a full educational program for all children in Hastings County School Area No. 2, the Board plans to build libraries and general purpose rooms at each of the following schools: Madoc Township Public School, the Earl Prentice School in Marmora, the Stirling Public School, The S. H. Connor Public School in Tweed, and the Madoc Public School. Health rooms and guidance rooms are also planned in each addition.

With the consolidation within central schools, the Board is arranging for an extension to its Special Education Programme. At the present time Opportunity Classes are being operated only in Madoc and Marmora. Beginning in the school year 1968-69 Opportunity Classes, rehabilitation groups and enrichment groups will be in operation in all of the central schools in Stirling, Marmora, Tweed, Madoc and Madoc Township.

Working with Architects Jackson and Ypes, the Board plans to include

in the additions at Madoc and Marmora classroom arrangements that will complement the continuous-progress, or non-graded system that is coming into effect in today's education. A flexible grouping of classrooms has been designed so that students may be in a regular classroom situation at one time, in a multi-group large classroom for the next session, or in small group seminars for specialized instruction. By using easily moved partitions, which fold into the wall, the teaching area can be made into three regular classrooms, or one regular classroom and a large double classroom, or into one large open classroom. The movable walls are acoustically shaped and the floor is to be carpeted to reduce the noise factor.

The point of having such flexible facilities will promote the concept of continuous progress. Under such a system the child learns at his own rate and can move easily from group

to group as his ability and achievement directs. For example, if a child is nominally in Grade 2, but is capable of Grade 3 mathematics, he can easily move to that part of the room or area where his level of achievement is being taught.

Thus with additional facilities, the consolidation of all students in central schools and the development of special programs, the Public School Board of Hastings County School Area No. 2 is providing an educational set-up that will meet the needs and requirements of as many children in the area as possible. It is providing an equality of educational opportunities for the rural as well as the town child.

Honour Bride-To-Be

On the evening of March 23rd, Miss Marilyn Anderson was honoured by a miscellaneous shower at the home of Mrs. Wayne Hadley.

On arrival, the hostesses, Ruth West, Lois Hagerman and Marg Hadley, presented the bride-to-be with a corsage and Marilyn was seated in a very prettily decorated chair.

The many friends and relatives present enjoyed a few games which were followed by an address, read by Lois from the beautiful bridal book she had made for Marilyn. The bride-to-be was then presented with many lovely gifts, including a hamper of canned goods.

Marilyn thanked the hostesses for the lovely shower and everyone for the many useful gifts.

A delicious lunch was served and a social hour was enjoyed by all.

Chamber of Commerce Outline Projects At Village Council Meeting

Reeve D. W. Rodgers chaired the monthly meeting of Stirling Village Council on Monday night, April 1st. He was supported by Councillors Claude Trumble, Maurice Faulkner, Robert Anderson and Robert Hullin.

The following correspondence was read by Clerk-Treasurer W. L. Pollock:

Hastings No. 2 County School Board, building and purchasing program; Retail Sales Branch Treasury Dept., refund; The family of the late William Hicks, thank you card; R. Doug. Patterson, resignation from Community Centre Committee; Hon. William G. Davis, larger school administration units; Dept. of Health, pesticides control; Bank of Montreal, increase in interest rate; Clarke T. Rollins, changes in speed limit on highway 14; Clarke T. Rollins, Minister of Highways, highway 14; Hastings County School Area, approval building proposals; The Bay of Quinte District High School Board, decision of the Board of Arbitrators; O.W.R.C., inspection of waste stabilization system; Dept. of Labour, petition to Association of Rural Municipalities with action in respect to lighting on swimming pools; Dept. of Municipal Affairs, interim payments on winter works; Dept. of Municipal Affairs, address by The Hon. Darcy McKeough; The Town of Cobourg, harbor requirements; Clarke T. Rollins, new amendments to Community Centres Act; Lower Trent Valley Conservation Authority, proposed meeting; The Ontario Association of Chiefs of Police, course for Officers; Office of Comptroller of Revenue, hospital tax; Charles E. Hicks, monthly report.

Mr. J. V. Holt addressed Council regarding a complaint received concerning dead weeds. No action was taken.

The letter of resignation from Doug. Patterson from the Community Centre's Committee, was received with regret and accepted on motion of Councillors Hullin and Faulkner.

In regards to the licence required for spraying of weeds, on motion of Councillors Trumble and Anderson, the Clerk was instructed to contact Rawdon Township and find out if they would be able to spray the weeds along the Village streets this summer.

The local branch of the Bank of Montreal informed Council that interest rate for borrowing money by the Corporation would be at interest rate of 7 1/2%.

The letter from Clarke T. Rollins, M.P.P., Hastings Riding, informed Council that a meeting was being arranged with the Minister of Highways, Mr. Geo. E. Gomme, himself, Dr. R. T. Potter, M.P.P., Quinte Riding and the Reeves of the municipalities concerned, regarding the reconstruction of No. 14 Highway from Foxboro to Marmora.

The letter from the Bay of Quinte High School Board informed Council that the Village of Stirling's share of cost of operation would be 1.80%.

In the report from the Ontario Water Resources Commission, the inspection report for March 19th found the sewerage lagoon in excellent condition.

On motion of Faulkner and Trumble the March police report submitted by Chief C. E. Hicks was received.

Reeve D. W. Rodgers was appointed on motion of Councillors Faulkner and Anderson to be the voting delegate from the Village to the proposed Lower Trent Valley Conservation Authority meeting in Brighton to be held April 30th.

Chamber of Commerce Outline Projects

Mr. George B. Noble, President of the Stirling Chamber of Commerce, interviewed Council regarding projects planned for the summer.

He requested permission from Council to erect flower baskets on the downtown bridges and also to erect a cover over the foot-bridge on Alberta St. He also said that it was the plans of the Chamber of Commerce to install several benches in the shopping district and to clean out Rawdon Creek bed in the downtown area.

The Chamber of Commerce was granted permission to undertake these projects on motion of Councillors Trumble and Faulkner, with the suggestion that they work in conjunction with the Street Committee.

On motion of Hullin and Trumble,

Engagement

Mr. and Mrs. Percy Myles, Scarborough, wish to announce the engagement of their daughter, Diane Lorraine to Mr. Douglas Vernon Holt, son of Mr. and Mrs. J. V. Holt, of Stirling. Marriage to take place on Saturday, May 11th, 1968, at St. George's Anglican Church, Scarborough, Ont.

Engagement

Mr. and Mrs. Steve Cheslik announce the engagement of their daughter, Annalee, to Mr. Arthur McCauley, son of Mr. and Mrs. Arthur McCauley, Trenton, R.R. 3. Marriage will take place at St. James the Minor Church, Stirling, on Saturday, April 27th, at 11 a.m.

Chips From The Old Block

Twenty-five Senior Citizens met last Thursday. The meeting was chaired by Gertrude Belshaw and she did a good job of it too.

President George was on the ramp again, but he was a gentleman as he took the Vice along too. He's so polite they say — when his wife drops something, he kicks it to where she can pick it up more easily. Pretty thoughtful eh?

The week previous Gertrude wondered who could supply the next week's lunch. It seems that Martha would (Wood) and Martha did and it was lovely Martha.

Nora Stapley supplied lots of soft music during our games but she should have had the loud pedal on when "The Crook" expressed himself after looting two straight to his ole Scribe. You are one up yet, Padre, I'll be laying for you.

A Few Facts

The secret to health is said to be eating onions; but how can onion eating be kept a secret? To avoid too much talk — breathe through your nose — it keeps the mouth shut.

Only a woman is capable of turning a yawn into a smile.

A man who trims himself to suit everybody, will soon whittle himself away.

dis ole Scribe

Blake Faulkner's contract was renewed for a further five-year term to work the unusual portion of the Cemetery.

The Clerk was given permission to transfer sufficient funds from the General Account to the Arena Account to meet current expenses, on motion of Anderson and Faulkner.

New Dog

By-Law Passed

By-Law No. 704 was given its several readings and passed for the licensing and registration of dogs and for the prohibiting the running at large of dogs and other animals within the Village.

Daylight Saving

Time April 28th

Daylight saving time will take effect in Stirling on Sunday, April 28th, along with other neighbouring municipalities and cease on October 27th, on motion of Councillors Hullin and Trumble.

The Clerk was requested to direct a letter to Mr. and Mrs. J. B. Belshaw, in appreciation for the dinner party to which Council members were guests.

Accounts Passed

On motion of Councillors Anderson and Faulkner the following accounts were passed for payment:

Bell Telephone, \$52.30; City of Belleville, \$47.16; Quinte Co-Operative Medical Services, \$112.05; Art's Signs, \$54.65; Montgomery's Service Station, \$17.75; Belleville Fire Dept., \$12.99; Stirling Machine Shop, \$7.50; Clayton Tummon, \$8.00; Hutton Hardware, \$5.84; Ken Sine, \$74.65; W. Men's Club Conducts Service At Hastings Manor

A goodly turnout of members from St. Paul's United Church AOTS Men's Club conducted a service at Hastings County Manor, Belleville, Sunday evening.

President of the local Club, Mr. J. L. Good, conducted the service of worship, which began with a sing song of familiar hymn, led by Don Williams with Rev. J. B. Small at the piano. The scripture lesson was read by Arthur Loucks. The male quartette of Rev. Bruce Small, Grant Richardson, Jack Bush and Ross Carlisle, sang two numbers. Members of the Men's Club also sang an anthem.

Rev. Small delivered an address and Mr. Good closed with prayer.

Following the service the men visited with many residents of the Manor which included several former residents of Stirling and district. A social half hour was also enjoyed with Mr. and Mrs. Ken Yorke, Manor Superintendents.

Undergo Surgery

Earl Luey, who has been a patient in Belleville General Hospital, underwent surgery on Tuesday last. Latest report is that he is progressing favourably.

Mr. Ed Blais, Mill St., underwent surgery Tuesday of this week at Belleville General Hospital. He has been a patient there for the past five weeks.

Stirling Horticultural Society

(By Mrs. Percy MacMullen)

Stirling Horticultural Society was organized seventy years ago with Mrs. James Boldrick as President. There were fifty-one members and the government grant was \$75.00. The members at that time received shrubs or bulbs as premiums.

During the years, the Society has constantly promoted beautification in the Village and many improvements have been made. J. B. Belshaw and Fred Houchin have been very interested in this phase of work for a lengthy period.

Mrs. Floyd Armstrong has served as president for several years and in 1967 the membership was 338. The convenors are now very busy gathering in the 1968 members. The community is asked to support the Society and help beautify the Village.

A membership costs \$1.00 and is good for one box of plants at Caldwell's Green House. The stubs are also eligible for a Crab tree. The draw will take place at the Anglican Parish Hall, on Monday evening, April 15th, at 8 p.m.

Stirling Youths In Car Accident Monday Night South of Village

A 20-year old youth suffered head injuries in a two-car crash on Highway 14 at Chatterton and the Wallbridge road that sent six Stirling people to hospital Monday night. The accident occurred shortly before 6:00 p.m.

Graydon Rodgers, driver of one of the automobiles, was admitted to the Belleville General Hospital following the impact which caused \$2,800 damage.

The accident occurred on a curved hill on the highway about two miles north of Foxboro.

Released after emergency examination were Douglas Wood, 25, driver of the second car and Evan Rodgers 18, Tony Svoboda 15, Murray Rodgers 20 and Bonnie Bateman 18, all passengers in the Rodgers' car.

Ham and Cheese Bingo Successful

Rawdon Fire Department held a successful Ham and Cheese Bingo at their Fire Hall, Springbrook, Friday evening. A large crowd was present.

Winner of the \$25.00 advance ticket draw was Clayton Burklitt.

The Fire Department wish to thank all those who contributed to the success of the evening by purchasing tickets. Proceeds from the event will go towards purchasing a resuscitator for Rawdon Fire Department.

In Hospital

Friends of Mrs. Jack Livesey will regret to learn that she is a patient in Belleville General Hospital.

Sports Notes

(By Bob Taylor)

Due to my absence last week I was unable to make the following corrections.

The total attendance for the Menard Benefit Game should have read 2,500.

The name of Lyle Faulkner was inadvertently omitted from the list of Stirling Juveniles. Sorry Lyle.

Annual Meeting River Valley Women's Institute

On Thursday, April 4th, the Annual meeting of River Valley Women's Institute was held at the home of Mrs. J. L. Donohoe with seventeen members, three visitors and three pre-school children in attendance.

The meeting opened with the Institute Grace and at 1:30 p.m. all enjoyed a delicious dessert luncheon, provided by Mrs. Phillip Conley, Mrs. Ross

Bush, Mrs. Harry Morrow, Mrs. Ross Holland and the hostess.

The meeting was chaired by the President, Mrs. Glenn Bush. She welcomed the group, especially the visitors and expressed thanks for the co-operation at the banquet March 30th.

Mrs. Ernest Carr read the minutes and correspondence and Mrs. J. L. Donohoe gave the financial report.

The convener reports were read by Mrs. Sheldon McIntosh, Mrs. Jack Bush, Mrs. Ernest Carr, Mrs. Roy Tucker and Mrs. Percy MacMullen.

Mrs. Roy Bush gave a resume of the Tweedsmuir History Book. Mrs. Roy

Tucker reported the ACWW Pennies for Friendship.

Mrs. Percy MacMullen outlined the work covered by the Friendship Link with Abbot's Leigh W.I. in England.

For the Public Relations report, Mrs. MacMullen gave a summary of this department's work. For Women's Institute projects, \$52.12, which covered donations to McDonald Institute, the Institutes in Northern Canada and UNESCO pennies for friendship and gift to England. The Institute Educational expenses were \$336.91 and covered expenses to the National Convention in Guelph, Trent Valley Area Convention, 4-H Club work, Tweedsmuir History, etc. The work that was an organization were asked to support amounted to almost \$400.

The Community Projects Educational amounted to \$99.12 and consisted of a paid corner in Stirling News-Argus, float and prizes for Stirling Fair, clock for the new Sidney Hall, coat racks, tables, etc. For sick, shut-ins and bereaved, \$58.00. Contributions to the community was for Cosmos seed, swimming for the children and centennial projects, amounting to \$496.00, which was a total of \$653.00 for our community. The total expenditures for the donations report of the Public Relations Officer was \$1,052.00.

Mrs. Ernest Carr, Secretary, reported five Life Members and thirty annual. During the year death called two of our members to Higher Service.

Eleven meetings and Centennial Day were held with an average attendance of seventeen. Three members: Mrs. Roy Tucker, Mrs. Sheldon

McIntosh and Mrs. Percy MacMullen attended all the meetings and four others attended ten meetings.

Mrs. Alex Bush gave the auditor's report.

Mrs. Glenn Bush expressed thanks for co-operation during her three years as president and Mrs. Ted Pollock, President of Ivanhoe W.I., conducted the election and installation with a special emphasis on the words in the handbook: "Grant us the courage to change that which should be changed, the serenity to accept that which cannot be changed and the wisdom to know the difference." The secretary made the presentation of a small gift to Mrs. Pollock for her assistance.

Mrs. Roy Tucker gave a concise report of the recent Executive Meeting of Hastings West District. The district asked for a five dollar donation to send a delegate to the Guelph Conference and this was granted.

The District Annual is May 9th with Union Dale Branch as hostess. A picnic, on July 16th, is being planned for the district at Zwicks Island.

Mrs. Roy Tucker was reappointed as the River Valley representative to Hastings Historical Society and her membership will be paid.

A committee was appointed to look into the idea of another session of swimming for the children.

The roll call centred around "A Housecleaning Hint" and several paid their yearly dues.

The president elect spoke briefly and the Past President voiced appreciation thanks to the hostess and refreshment committee.

Do You Remember?

— TWENTY-FIVE YEARS AGO —

ISSUE APRIL 8th, 1943

At the annual meeting of the Hastings County Hog Producers Association, Mr. Wilfred Spencer was elected President; Vice-President E. J. Pyear, and Secretary, H. L. Fair.

Price of cheese was set at 20 cents per pound and creamery butter at 32 cents per pound, according to a release from the Minister of Agriculture for the Dominion.

Mrs. Bruce Bell is acting as supply teacher at Madoc Junction School.

Maple syrup is selling at \$2.60 per gallon.

WITH OR WITHOUT MANURE

One question that is often asked is whether you can keep on raising good crops, and maintain good soil conditions using only chemical fertilizer and no manure. Most evidence would support a "Yes" answer to both questions. Certainly some cash crop farmers in Ontario have been doing it for quite a few years. There are some conditions attached to the answer, however.

A very important consideration in maintaining soil fertility and condition is the maintenance of adequate organic matter levels in the soil. Manure helps here because manure, even liquid manure, contains a good deal of organic matter. But by making the best use of crop residues, it is possible to maintain organic matter levels without animal manure.

Why is organic matter important? It improves the physical condition, making clay soil more crumbly and workable, and adding body to sandy soil.

The organic matter acts like a sponge. It soaks up water and holds it in the soil ready for use as needed by the plant roots. With plenty of organic matter in the soil, crops can withstand longer periods of dry weather without suffering from lack of moisture.

This isn't all. The particles of humus, which are broken down organic matter, also hold a large amount of plant food particles in a form in which they are readily picked up by the tiny roots. Organic matter is like a bank account which is always ready for withdrawals by the roots, and into which deposits are continually made from the fertilizer reserves we put into the soil, and from the natural soil fertility.

When we plow down or disc in crop residues, the straw, corn stalks or other material must be decomposed by soil micro-organisms before it becomes organic matter in a useful form.

These soil micro-organisms are always present in the soil. When they get a handy supply of food, like straw, they multiply greatly and thrive on the straw. But they need a good deal more nitrogen for body protein than they get from the straw, and they deplete the supply in the soil. When you work in crop residues, add a good shot of nitrogen to speed decomposition and avoid nitrogen starvation in the crop.

A coat of manure, on the other hand, always contains plenty of nitrogen, so decomposition is no problem.

We started out by saying that we could grow good crops without manure. We should close by pointing out that in spite of this, manure is a valuable source of both plant nutri-

ents and organic matter, and is worth careful attention to save all the nutrients, and get them out onto the land

Deseronto Now Has Newspaper

"A town with the potential of Deseronto needs a newspaper," claims 24-year-old Robert (Bob) McArton, of Stirling.

So he began his eight-page offset newspaper for the town.

The Deseronto and Skyway Scanner, with a circulation of 2,000 is printed in Frankford. It is mailed weekly to the town's trading area: Marysville, Shannonville, Lonsdale and Read, as well as Northport and Demorestville in Prince Edward County.

Entered Into Rest

MRS. LEWIS BIRD

Following a week's illness in Peterborough and Toronto General Hospitals, Mrs. Thelma Bird, wife of Lewis H. Bird, 93 Princess Street, Peterborough, passed away on Saturday last.

The late Mrs. Bird was the youngest daughter of the late Mr. and Mrs. Arthur Fox, of Stockdale.

Besides her husband, she is survived by a daughter (Elinor) Mrs. Reginald Fulton, of Oshawa, and a son, Douglas Arthur, of Barrie, and two sisters, Mrs. Fred Lenoir, of Stockdale, and Mrs. Ross Bush, of Concession.

Mrs. Bird's funeral was conducted by the Rev. Norman Kelley from St. James United Church, where she was a life member of the Women's Missionary Society, the United Church Women, and treasurer of Peterborough Presbyterian.

Burial was in the family plot in Little Lake Cemetery, Peterborough.

Mr. and Mrs. Bird will be remembered by many in this area as they had taught school in the Marsh Hill, Glen Ross and Centenary area, previous to their taking up residence in Peterborough nearly twenty years ago.

EVERETT ROY MAYBEE

Life resident of Rawdon township and well known farmer in the area, Everett Roy Maybee, R.R. 3, Stirling, died suddenly at his home on Friday, April 5th. He was in his 49th year.

Son of the late Mr. and Mrs. George Maybee, he was born in Rawdon and had farmed there all his life. He was a member of Wellman's United Church.

He is survived by his wife, the former Evelyn Frances Green, two daughters, Mrs. Allen (Elizabeth) Lake, R.R. 3, Stirling, and Mrs. Edward (Doreen) Colby, of Wellman's Corners, and a son, Donald, of Toronto.

Also surviving are a sister, Mrs. Percy (Elsie) Coutts, of Toronto, and a brother, Wilmot Maybee, of Harold.

Mr. Maybee was pre-deceased by brothers, Ernest and James, and a sister, Inez.

The funeral was held on Monday, April 8th, from the Duffin-Hogle Funeral Home at Stirling, with service in the chapel by Rev. W. C. Cox, Interment at Wellman's Cemetery.

In Memoriam

ARMSTRONG — In loving memory of a dear father and grandfather, Bruce Laird Armstrong, who passed away suddenly eleven years ago, April 13th.

Always wonderful memories
Often silent tears

Always a secret longing
Wishing you were here.

—Ever remembered by June, Jay and boys. 15-1

STILES — In loving memory of a dear daughter and sister, Marion. This month comes back with sad regrets,

It brings back a day we won't ever forget,

You fell asleep without saying goodbye,

But our memories of you will never die.

We miss you more than anyone knows
As each day passes the emptiness grows,

The tears we shed we can wipe away
But the ache in our hearts will always stay.

—Sadly missed my Dad, Mother, sister and brothers. 15-1p

STAPLEY — In loving memory of a husband and father, Charles Edwin Stapley, who passed away two years ago, April 12th, 1966.

Two lonely years have drifted by
To speak our thoughts we will not try
You are beside us in all we do,
Your love will guide us and see us through.

—Fondly remembered by wife Ada, daughter Sandra and son Garry. 15-1p

STAPLEY, Charles Edwin — In loving memory of a dear father and grandfather, who passed away on April 12th, 1966.

They say time heals all sorrow,
And helps us to forget;
But time so far has only proved
How much we miss him yet.

—Dearly remembered by Marilyn, Jim and Tammy Teertstra. 15-1p

The Sabbath Day

God made for all the Sabbath Day
To rest and go to church;
To hear His Word and Song
And listen to the parson pray.

To Thee, O God, with hearts of praise
We sing with grace and love.
We worship in God's holy place
To meet some day with friends above.

The fellowship that we enjoy
Is preached by a godly man;
And all the ones who listen there
Should live the best they can.

The preacher tells of God's own Word
In Books, the Bible tells
Of living faith within men's hearts,
Of those who served Him well.

The Word of God we hear that day
Should teach us how to pray;
To live in God's redeeming love,
At last to meet in heaven above.

This is the day that God hath made
For prophet, priest and king;
To just bow down upon their knees
And worship only Him.

Holy Sabbath, God has given
That we might learn the way to
Heaven
That unhallowed pleasures cease,
And that joyful, heavenly Peace
Fills the hearts of everyone,
'Til we reach our Heavenly Home.

— George A. Weaver.

The Bells of Holloway

I heard them chime so sweetly
In the cool of the evening air,
Yet their chiming were to me a message
In the silence that lingered there.
It was as the voice of the Lord Eternal
Reaching the depths of my soul,
And I passed there to worship the Saviour
Who had found me and made me whole.

I had heard the choir singing
And their voices were clear and bright.
He left not Himself without witness
In the still of the evening light.
He had spoken through Prophets and sages
In ways that I cannot tell.
But my spirit was filled with His praises
As I listened to that old Church Bell.

And I thought of the voices now silent
Who had trod this dusty hill,
As they walked to the place of worship
At the bottom of the hill.

I knew not their burdens or problems
And their sorrows I cannot tell.
But like my own, they all seemed to vanish
At the sound of that old Church Bell.

So ring out your tidings of cheer and comfort
In the Morning, at Noon, and at Night,
For there are many strangers and pilgrims
Who walk in the evening light.

They have burdens and cares and sorrows
Lingering there in the depths of their soul,
But your chiming still bring tidings of comfort
From the One who can make them whole.

— James Daggart,
Sept. 10th, 1960.

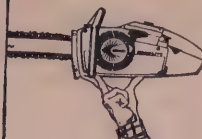

MADOC DETACHMENT Week of March 24 To March 30th

During the week of March 24th to March 30th, 1968, officers of the Madoc Detachment of the Ontario Provincial Police investigated 34 occurrences, 3 requests for assistance, 2 disturbances, 2 assaults, 1 break and enter, 1 theft and 25 miscellaneous occurrences.

There were 6 reported motor vehicle accidents, 5 of a property damage nature, with 1 personal injury, with 1 person sustaining minor injuries. Seven vehicles were safety checked, with 31 traffic warnings handed out and 24 charges laid under the authority of the highway traffic act.

of Ontario. A total of 12 other charges were laid for liquor and criminal offences.

Approximately 3,700 miles of area roads were patrolled with 472 hours worked in connection with all of the above.

Eight hours were spent in Magistrate's Court, Madoc, with Magistrate R. C. Jackson registering 24 convictions.

The following is an excerpt from the Highway Traffic Act:

"Every motor vehicle shall be equipped with a muffler in good working order and in constant operation to prevent excessive or unusual noise or excessive smoke and no person shall use a muffler cutout, bypass, straight exhaust, gutted muffler, Hollywood muffler or similar device."

Mount Pleasant Rawdon Messengers

On Sunday, March 31st, the Messenger Group held their special dinner meeting at the Church Hall with approximately 180 people in attendance.

The leaders, Mrs. Raymond McConnell, Mrs. Garth Joslin and Mrs. Stanley Williams were in charge.

The tables were all arranged and the Messengers provided ham, potatoes and beverage. Those in attendance brought an abundance of other food.

Joan Jeffs, President of the Messengers, welcomed the group and all sang Grace with Bonnie Williams as pianist.

The offering, amounting to thirty dollars was gathered by Linda Hoard and Margaret Hoard and dedicated.

The Messenger Group gathered in massed formation on the platform and opened their devotional on "Community Life", by singing a hymn. Frank Hubble gave the call to worship. The Bible Lessons were read by Jeannette Hoard and Kathy Sharpe. The prayers were read by Kenneth Sharp and Donnie Hubble.

Jill McAdam gave the introduction to the theme and Mrs. Garth Joslin read the special meditation story.

A record of Dale Evans was given based on "Going to Sunday School". Debbie Graff asked Rev. W. C. Cox to close with the Benediction.

Rylstone W.I.

The Annual Meeting of Rylstone Women's Institute was held in their Hall (Union School) on Wednesday afternoon, with an attendance of sixteen ladies. The president, Mrs. E. L. Anderson, was in charge of the meeting, which opened with the Institute Ode and Creed.

The roll call was answered by the paying of dues for 1968-69 year. The Secretary and Treasurer both reported on the February meeting and Family Night in the hall, in March. Correspondence and thank-you notes were read. Thank-you notes will be sent to people who have donated articles for the use of the Hall. Mesdames Gerald Barnum, E. L. Anderson and Ellis Jones were chosen as a committee to meet with the caretaker, Mrs. Eldon Anderson.

Members have accepted the job of supplying sandwiches for the forthcoming Golden Wedding of one of the members.

Plans are underway for the North Hastings District Annual Meeting to be held in May at Zion United Church, Pethericks Corners, for which Rylstone Women's Institute will be hostesses. A committee for planning the dinner for the day is as follows: Mesdames Don Kerr, Murray Melkiojohn and Mrs. Stanley Kerr.

A travelling apron was presented by Mrs. Don Kerr to be circulated among the ladies of the community, in aid of the Hall.

There will be a "bee" at the Hall on Wednesday, April 17th, for cleaning and redecorating the Hall. Ladies bring sandwiches or equivalent (warm or cold) for lunch at noon.

Reports for the year's work were given by: Secretary, Mrs. Jack Watson; Treasurer, Mrs. Stanley Kerr; Agriculture and Canadian Industries, Mrs. Gerald Barnum; Historical Research, Mrs. Jack Watson, for Mrs. Carl Linn; Home Economics and Health, Mrs. Percy Reid; Public Relations; Mrs. Stanley Kerr; Curator of History Book, Mrs. Ernest Irwin.

Five grandmothers present were given little baskets of candy as a token of grandmother's day. These were prepared by Mrs. Jim Milne.

Mrs. E. Lindsay Anderson, president, thanked the members for their co-operation during the three years of

her presidency and declared all offices open for nomination.

Mrs. Ernest Irwin, chairman of the Nominating Committee, took charge and after Mrs. Jack Watson was chosen to be secretary for the election, read her slate of officers. The election resulted as follows:

Acting President — Mrs. E. L. Anderson

Vice President — Mrs. Ernest Rowe, Mrs. F. M. Rutherford, Mrs. Jack Watson and Mrs. Ernest Irwin

Secretary-Treasurer — Mrs. Murray Melkiojohn

Assistant — Mrs. Ellis Jones

Branch Directors — Mrs. Don Kerr, Mrs. Jack Watson and Mrs. Charles Stewart

Tickets were passed for a silent auction which consisted of baking, flowers, aprons, etc., and proved very successful.

Lunch was served by the hostess, Mrs. Don Stewart.

All programme items had to be laid over for another time, owing to the full afternoon of business and two interruptions when the Seymour fire truck dashed by on the way to community grass fires at the homes of Mr. Malin Jones and Neil Sovie.

Stirling Rebels Capture Eastern Ont. Inter-County Championship

(By Bob Taylor)

The Stirling Rebels battled their way to two hard-fought victories over Maynooth on the week end to capture the Eastern Ontario Inter-County Championship and the Don Bell Trophy. Stirling won the best 3 of 5 series 3 games to 2.

Paced by a three-goal performance by rookie Don Potts, the Rebels squeezed out a 9-8 victory in Trenton on Friday night to knot the best 3 of 5 series at 2 games apiece and force a fifth game in Bancroft on Sunday.

Sonny Foshay and Garry Mason each contributed a pair of goals in Friday's tussle, with Dale Benson and Tommy Glover each hitting for a single.

Rearguard Doug. Potts and Glover each picked up 3 assists. Phil Green and Rick Shallo each scored twice in defeat.

Sunday's Tilt

Stirling Rebels built up a 4-3 lead at the end of the first stanza in Sunday's tilt, played at Bancroft, but relinquished it to a 6-5 deficit at the end of two but commanded the play in the final twenty minutes, scoring three unanswered goals for the margin of victory.

Maynooth's poison came in the form of Trenton's tiny terror, Tommy Glover, who bewildered his foemen with his blinding speed and tenacious checking.

Dale Benson scored Stirling's winning tally when he snared Dave Potts' long lead pass in full flight and raced in alone to beat Levesque. Benson also scored Stirling's insurance marker late in the game, completing a play with Glover who also struck for a pair of goals.

Doug. Potts blinked the light twice on a pair of masterful solo efforts. Foshay and Larry Marshall rounded out the locals' scoring.

Phil Green again lead the losers' offensive with a brace of goals.

R. C. Glover, of Trenton, awarded the Don Bell Trophy, on behalf of the donor, to playing coach Barry Turpin, who received the award due to the absence of captain Ken McConnell, who missed the game due to illness.

The Teams

Maynooth — Levesque, Hicks, Williams, Scott, Cannon, Lacombe, M. J. Armstrong, Casselman, Easton, Shallo, Buckley, T. Armstrong, Garry Wright, McCaw, T. Donaldson, M. Donaldson, Mask, P. Green, B. Green. Stirling — Larry Macauley, Dave Potts, Doug. Potts, Don Potts, Barry Turpin, Bob Noble, Bob Taylor, Bob Hearn, Bob Wright, Ken McConnell, Pete McLeod, Garry Mason, Larry Marshall, Dale Benson, Glenn Houlden, Tommy Glover, Sonny Foshay.

Two Plead Guilty

Two Peterborough men pleaded guilty Thursday morning in county magistrate's court, Belleville, before Magistrate T. Y. Willis to charges of break and enter and theft.

Ronald J. Fitzgibbon, 23, and David Davis, 24, pleaded guilty to a break-in into Burrell's Jewellery Store, Stirling, on October 3rd of last year.

According to evidence read by crown attorney, John Pringle, a quantity of watches and rings were stolen to a value of \$1400. About \$400 worth of the items were recovered.

Fitzgibbon and Davis were remanded for one week.

The Lull Before The Storm

The mood of The Senior Citizens seems to have taken on a sober type of late. Look out, for when the old cat's away the mice often play. Pres. George and his bride are starting this week on their umpteenth honeymoon. This one is to Blighty and the continent. Dis Ole Scribe will try to keep order and report all who do not behave, but under the leadership of Vice-Pres. Fred, he feels it will be a lost effort. Fred has let his hair down so often that now it won't stay up. Dis Ole Scribe has let his down so often that now he has none to let down. He's really nude — but this he promises George — he will not permit Fred to encourage a nudist colony. Although, that might be interesting at that. So, upon your return, George and Lil, maybe you better keep on your sun glasses to ward off any possible glare.

We were happy to welcome back Ernie Munro from his western visit. After what I heard, I was surprised to see him come back solo. While on a sightseeing tour out West, Ernie heard the bus driver yell, "All right back there?", and a lady's voice called out: "No, wait till I get my clothes on." Ernie, along with the rest rushed to the back of the bus only to see a girl get on with a basket of laundry. Don't feel bad, Ernie, Dis Ole Scribe thinks he too might have rushed to the rear.

A Matter of Time

Make sure you watch the special dramatized documentary dealing with the Princess Margaret Hospital and the work of the Ontario Cancer Society.

It will be shown on the full CBC network at 9.30 p.m. Wednesday, April 17th.

This exciting one hour drama will not only help improve the canvassers' reception during Cancer Campaign Month, but will provide an hour of great education.

High School Students To Present "Spotlight '68"

The students of Stirling High School are presenting their annual variety night, "Spotlight '68", Thursday and Friday evenings of next week at the Stirling Theatre. This is entirely student talent, and for the most part, is student directed.

The students have been working hard on their acts and the usual full house is expected each night as in other years, when the performances were of high calibre.

Fire Department Answers Two Calls

Stirling Volunteer Firefighters answered two calls during the past week. On Thursday morning at 9.20, they were called to Livesey's Red & White Food Store where a flash fire resulted behind an ice cream counter.

Quick action by members of the food store staff prevented what could have resulted in a major fire. They had the blaze practically under control by the time the Fire Department arrived. Considerable smoke damage resulted.

Saturday afternoon, the Fire Department answered an alarm at the residence of Mr. and Mrs. Bob Green, Frankford Road, where a grass fire was out of control and threatening their garage.

are spending the Easter week with the latter's sisters, Mr. and Mrs. Wilfred Sine and Mr. and Mrs. Earl Horton.

Mr. and Mrs. Bill Little and son, of Manitowaning, were week end guests of Mr. and Mrs. Bob Montgomery and also visited their many friends in Stirling.

Mrs. Wm. Vardy, Stirling, is a patient in Princess Margaret Lodge, Toronto, where she is undergoing therapy treatment. Mrs. Vardy expects to return home next week.

Mrs. Earl Jones, Belleville, Mr. and Mrs. Carl Jones and family, Batawa, Mr. and Mrs. Elwood Moore, Stirling, Mr. Albert Lawes, Montreal, were Sunday guests of Mr. and Mrs. Allen Lawes.

Visitors on the Easter week end with Mr. and Mrs. John L. Good were Mr. Good's cousins, Miss Margaret Wood, Mrs. Hugh Fader and Miss Alice Wood, of Ottawa. Other callers on Easter Monday were Mr. and Mrs. Gary Gerth, of Hamilton.

Mr. and Mrs. Ross Mason and family, of Peterborough, Mr. and Mrs. Dick Knapton and family, Scarborough, Mrs. Lawrence Aude, Mr. and Mrs. Ross Sprackett, Gilmour and Mr. and Mrs. Bob Green and Robbie, Stirling, were guests during the Easter week end of Mr. and Mrs. Jack Sleeper.

Visitors at the home of Mrs. C. H. David and Miss Lenora Williams during the Easter week end were Mr. and Mrs. Douglas Smith, Ottawa, Mr. and Mrs. Archie Harjes, Mark and Carol Ann, Toronto, Mr. and Mrs. Bob Buchanan and Debbie Ann, Brantford.

Stirling Fire Department Receives Certificate of Merit For Project

The following letter was received from the Muscular Dystrophy Association of Canada, addressed to the Stirling Fire Department.

Dear Mr. Doug Robson:

Thank you for your letter of April 2nd and the cheque in the amount of \$376.00, representing the proceeds from the "Western Talent Show" held recently on behalf of Muscular Dystrophy Association of Canada.

It gives us great pleasure to receive this generous contribution and to congratulate you on a most successful undertaking.

We would like to express our special thanks to Mr. Bill Blakeley who did such a wonderful job in organizing the show, to yourself and all concerned who unselfishly donated their time, talent and energy to help the thousands of children afflicted with muscular dystrophy.

A certificate of merit is attached and would appreciate your presenting this award to your department with our deepest gratitude.

We cannot thank you enough for your future pledge of support in making the "Talent Show" an annual fund raising event for MDAC.

Yours sincerely,

(Miss) C. A. Potvin,
Campaign Secretary

Allen O. Reid Widely Mourned

A lifetime resident of Stirling district, Allen Owen Reid, passed away Saturday, April 13th, 1968, at Belleville General Hospital after an illness of three weeks. He was in his 61st year.

Mr. Reid was highly respected and his passing is mourned by a host of friends.

Mr. Reid was born in Rawdon Township to the late Mr. and Mrs. John Reid and is survived by his wife, the former Laura Margaret Rowe. Also surviving are three sons, Edwin, Malcolm and Ralph, all of Stirling, and a brother, Irvine Reid, of Belleville. He was predeceased by one brother, Cleland.

Mr. Reid was educated at Allan Public School and was a farmer. He was also the tax collector for Rawdon Township and had been secretary-treasurer for the Rawdon township school district.

He was a member of Mount Pleasant United Church and had been secretary-treasurer of the church for many years.

The funeral service was held Tuesday from the chapel of the Duffin-Hogle Funeral Home in Stirling to Mount Pleasant Church for service. Interment was in Mount Pleasant Cemetery. Rev. W. C. Cox officiated.

In Hospital

Andy Clapperton was admitted to Belleville General Hospital on Thursday last.

Mount Pleasant

The community was deeply sorry to learn of the death of Allen Reid on Saturday. The funeral was held Tuesday in Mount Pleasant Church.

Rev. W. C. Cox conducted a Good Friday service at Bethel Church with several from here in attendance.

On a recent Saturday evening, Mr. and Mrs. Harry McAdam entertained Mr. and Mrs. Wm. Burkitt, Petherick's, and Mr. and Mrs. Barry Brown, Hastings.

Mr. and Mrs. Ralph Jeffs attended the funeral of an uncle, Mr. Harry Bedford, at Campbellford, on Friday. Others in attendance were Mr. and Mrs. Bert Bedford, Stirling, and Mr. and Mrs. Thomas Bedford, Trenton.

Mr. and Mrs. Jim Milne, Oshawa, spent the week end with her mother, Mrs. Leonard Sharpe.

Mrs. George Johnston, Berkley, visited her parents, Mr. and Mrs. Herbert Smith, over the week end.

Mr. Malcolm Reid, Halifax, is spending a month with his mother, Mrs. Allen Reid and family.

Mr. and Mrs. Eric Summers and family, Ottawa, spent the holiday week end with his mother, Mrs. Cyrus Summers, and they attended the Easter morning service here.

Mr. and Mrs. Harry McAdam attended the funeral of their uncle, Mr. Thomas Burkitt, on Wednesday, April 10th, at Frankford.

Miss Rae David, Toronto, spent the holiday with her parents, Mr. and Mrs. Ira David and family.

Mr. and Mrs. Percy MacMullen were dinner guests on Easter Sunday

evening at the home of Mr. and Mrs. Sid Demorest, Marmora.

Mr. and Mrs. Gary McMurter, Trenton, spent the week end with Mr. and Mrs. Donald Johnson.

Mr. and Mrs. Raeburn Scott and children, Norwood, visited Mr. and Mrs. Clarence Scott and family on Easter Sunday.

Mr. and Mrs. Jack Fitzgerald and family, Niagara Falls, New York, were week end guests of their uncle, Mr. John Holmes, and aunt, Miss Annie Holmes.

On Saturday, April 13th, a very pretty wedding ceremony was solemnized in Mount Pleasant United Church when Rev. W. C. Cox united in marriage Lois Diane McAdam, daughter of Mr. and Mrs. Harry McAdam, and Neal Daniel Tiftford, son of Mr. and Mrs. Clifford Tiftford, of Oakville. The U.C.W. catered for the reception in the Church Hall.

Easter Service

On Sunday morning, Mount Pleasant United Church was decorated with a large purple cross and several potted Easter lilies in bloom. One of these was a gift from Stirling Horticulture Society. The Junior Choir rendered two selections and Rev. W. C. Cox gave the message. The church was filled to capacity with several visitors in attendance.

Fish And Game Club News

General Meeting

A crowd of well over a hundred attended the general meeting of the Fish & Game Club held in the Club House on Tuesday evening, April 9th. Members from Stirling, Frankford, Stockdale, Wooler, Foxboro, Belleville and Trenton were in attendance.

Once again there was a very lively discussion on the fishing licence, hunting licence and park fees. Mr. Norman Patrick, Chief Forester of the Dept. of Lands and Forests, Tweed, provided the answers he could, but stated that as far as the government is concerned, the raise in fees is still under consideration. So until they decide what they are going to do a lot of questions remain unanswered.

Camping

It was decided at the meeting that youth groups, such as Boy Scouts, Cubs, etc., would be allowed to hold camps on the Club property. There will be an area set aside and regulations laid down for this purpose.

I think this is a great step forward because what does the future hold without the support of the youth today.

Antique Guns

Orval Berry came up with one of the finest antique gun showings ever held in the district. There were many comments to the effect, Did you ever try to hold a cigarette with one

hand or load a pistol while on horseback? We didn't have a horse in the Club House, but ask Herman Chard, of Frankford, how it was done. Someone asked Herman how come he was chosen for the demonstration and he said he guessed he was the only one that looked like a cowboy. In addition to the gun showing, two fine films were shown on hunting and fishing.

First Project

The executive of the Ladies Auxiliary were at the meeting and announced their first project. Would you like to win a week's vacation back on Lucky Lake for the whole family? It's possible. All you have to do is buy a ticket.

Coming Events

Men's Night, April 27th, Saturday night. Members and guests only.

Added Note

A few more members are showing up for work parties, so don't be shy. Come on out and feel part of the working class. The best way to find out when there is going to be a work party (which is almost every night and no week ends) is to check the blackboard just inside the basement door. This can be seen through the window.

Research unravels the mysteries of cancer, education teaches about its prevention and welfare services help cancer patients. All these activities are supported by a contribution to the Canadian Cancer Society.

Rylstone U.C.W.

Rylstone United Church Women
held their annual Missionary meeting
at the church on Wednesday after-
noon, April 10th.

The President, Mrs. Clarence Thom-
son, was in charge of the meeting,
which was attended by members of
the Stanwood, Spring Brook and Gos-
pel Chapel ladies.

Mrs. Thomson opened the meeting
with the hymn "Let Us With A Glad-
some Mind," followed by prayer.

The devotional theme was "God Is
Not Dead" and was conducted by the
president and assisted by Mrs. Wil-
fred Spencer, Mrs. Lloyd Anderson
and Mrs. Raymond Stewart. The
hymns "Hosanna Loud Hosanna" and
"Talk with us Lord" were followed by
prayer by Mrs. C. Thomson. The
scripture selection was read by Mrs.
Truman Miller. The hymn "Saviour,
Blessed Saviour" was sung.

Mrs. Robt. Reid of the Gospel Chap-
el gave a piano solo "Ten Thousand
Angels." Mrs. Carleton Rowe, Stan-
wood U.C.W. read "Our Treasures."
Mrs. Ralph Wellman of Spring Brook
U.C.W. gave a piano solo of sacred
music and Mrs. Truman Miller read
"Thank You For Today."

Mrs. Murray Melklejohn read let-
ters from her daughter and son-in-
law, Mr. and Mrs. Jack Chenoweth,
who have been teaching in West
Africa for almost two years. At present
they are at Yaounde, Camerouns,
West Africa, but expect to be back in
Canada in July.

Mrs. Leith Stetson, Marmora, the
guest speaker, gave a splendid mis-
sionary message.

The Easter thank offering was col-
lected by Mrs. John Spencer and Mrs.
Lloyd Anderson.

The secretary, Mrs. Raymond Stew-
art, read an invitation to attend a
Rainbow Tea at Hoard's United
Church in May; also a thank you note
from Wilfred Spencer.

Mrs. Thomson pronounced the bene-
diction and refreshments were served
by the hostesses.

St. Paul's U.C.W. General Meeting

(by Luella Bronson)

This meeting was held in the Sun-
day School room on Tuesday evening
with Bethany leader, Mrs. Basil St.
members, friends and a few men, to
hear the guest speaker, Mr. John
Brant, of the Indian Reserve.

Mrs. Donald Williams, U.C.W. Presi-
dent, opened the meeting with prayer.
The devotional was conducted by
Unit Faith, with Mrs. Clifford Clancy,
Mrs. Ross Bush, Mrs. H. Donnan giv-
ing the scripture lesson and offering
prayer.

Mrs. Dan Cooke gave the Easter
message, the ever new story of the
"Empty Tomb," which given to the
people of the world a lasting vision of
life, through His many sacrifices. He
has assured his people that no man
need walk alone, nor can death divide,
if we but only trust Him to come
into our daily lives, so He may prove
the meaning of the Risen Christ.

Guest Speaker
Mrs. Allan Wells introduced Mr.
Brant, who is a former Chief of the
Reserve. He is also Welfare Minister
of the Reserve. He too was present-
ed with a Centennial medal.

In the beginning, Mr. Brant claims,
Indians were Agriculture minded but
only for enough to provide their own
food. As far as money-making was
concerned, it was not yet introduced,

but as the younger generations came
along, they were eager to find work
to make money. Mr. Brant said cul-
ture of good quality is needed by In-
dians but white people can use it too.

Mrs. Gordon Bailey thanked Mr.
Brant for this understanding history
of the life of an Indian.

Mr. and Mrs. Brant, with interested
friends, retired to the auditorium
where more knowledge was received
on Indian culture. Here, too, refresh-
ments were served to the group, be-
fore leaving for home.

General business was carried out
with Mrs. Williams presiding. Min-
utes and correspondence were given
by Mrs. William McMullen.

The annual treasurer's report was
given by Mrs. Warren Harlow. Mrs.
Gordon Bailey presented this year's
suggested budget.

Mrs. Elwood Bateman will be in
charge of selecting two girls to go to
summer camp.

Mrs. Morley Aythart read a "thank
you" letter from Street Haven, Tor-
onto, where a bale of clothing was
sent recently.

\$15.00 was voted to be given to
the Festival of Sacred Praise from
the U.C.W.

Mrs. Harry Waite and Mrs. Ashley
Brooks will enquire as to the cost of
and arrangements of flowers for the
planter at the Church and report at
the next meeting, in June.

Each unit is requested to appoint
one representative to combine a com-
mittee to make arrangements for an
entertainment in November.

A picture of Yeek Young, from Hong
Kong, a little girl the U.C.W. is send-
ing money for her education, was dis-
played.

Mrs. Williams closed the meeting
with the Benediction. Unit Two serv-
ed a delicious lunch, after which
Mrs. Grant Richardson expressed
thanks to all, who in any way made

Dollars and Good Sense

by WILLIAM J. MARTIN

This column is a regular weekly feature prepared by the Family
Financial Counselling Service of the Avco Delta Corporation, P.O. Box
2820, London, Ontario. All questions submitted to the above address
will be answered, in print or by return mail. Names will not be used
in print. However, all questions should be accompanied by a complete
name and address.

QUESTION — Dear Sir: I draw
\$175. a week, before deductions, and
we're not living too bad, my wife,
daughter and me. But I'm bothered
because we don't seem to put much
aside for the old "rainy day". Can
you tell me how much I should be
saving?

B.L.

ANSWER — Based on your income,
you should be saving about \$74.50 a
month. Now, if that figure seems too
high, consider that when I say "sav-
ing", I'm referring to more than just
the amount you put into a savings
account each payday. Include in
your calculations the money you pay
into your company retirement plan (if
you have one), life insurance premi-
ums (that's a form of savings, too,
you know), payroll deductions for
government bonds, and other invest-
ments you may have, like stocks. In-
clude under saving also that part of
your monthly mortgage payments
which is applied to reducing the prin-
cipal. The equity you have in your
house is savings, too. In short, you
may be saving more than you think.
If, however, you find you are still far
short of \$74.50 a month, you may want
to re-examine your monthly budget
and see what you can cut down on in
order to divert more of your income
to savings.

QUESTION — Dear Sir: My wife
keeps bugging me to move out of our
comfortable three bedroom apart-

ment and into a home of our own.
Frankly, the apartment is just fine
with me, but she claims it would be
better for the three kids if we had a
place of our own. I'm down to my last
argument and that is: We just can't
afford a place of our own. How about
some support for my argument; some-
thing I can show her that will con-
vince her I'm right.

—Factory Worker

ANSWER — First I say, no one can
decide for you whether a home of
your own or a comfortable apartment
is best for your family. There are
distinct advantages to each. There
are also disadvantages to each. I can
only recommend that you weigh each
advantage and disadvantage in terms
of your family's personal preference
and make your decision on that basis.
As to whether you can afford your
own home, the answer depends on
what kind of a house you want to buy,
how much down payment you would
be expected to make, what your
monthly mortgage payments would be
and how much you are currently pay-
ing for shelter.

One other thing — and you may not
want to show this to your wife. A
budget is a very personal thing, dif-
ferent for each family and not neces-
sarily inflexible. So you have the
option of cutting down your spending
in some other area — entertainment,
perhaps — to increase the amount you
want to spend for shelter.

RIVER VALLEY WOMEN'S INSTITUTE

River Valley members appreciated the kindness of Mr. Wm. Ashby who provided a decorated shell ornament for each Institute member and also for the other ladies who were in attendance at the last card party. Thanks a million.

Misses Cora and Evelyn Bailey, of Peterborough, were Easter guests of Mr. and Mrs. Gordon Bailey and family.

Guide Lines

The Girl Guides have been working as hard as ever even though their Captain has been having a holiday. Thanks to Lieutenants Ibbey Dohson and Lilly Hum, the meetings have been very nicely conducted every week.

For the past few weeks, we have been working on Fire Prevention. For our Second Class Test, we have to know how to prevent fire in the home and outside the home, and what steps to take in case of fire. On April 8th, Fire Chief Graham Mouck visited us and gave us a final talk on these topics. Next week, April 22nd, Mr. Mouck will be back to test our knowledge. (Girls, don't forget to brush up your Fire knowledge before next Monday).

On April 5th, three girls passed their Child Care Badge. They are Julie Hunter, Jill West and Susan Wright. To qualify for this badge, the girls have to know everything from burping a baby and changing its diaper to planning the day's menu, based on Canada's Food Rules, for a four-year-old child. Other topics are: Making Friends With Small Children, Protecting Them From Infection and Accident, and Keeping Order With One or More Children. I think the girls who earned this badge really deserve congratulations.

April 27th is our annual Girl Guide Cookie Day. The girls are becoming excited about it already. In the next few weeks Girl Guides all over Ontario will be selling cookies to support not only their own Company, but also the Provincial Girl Guide Organization.

Laurel Lodge News

The regular meeting of Laurel Rebekah Lodge was held April 9th with a good attendance.

J.P.N.G. Sister Irene Daeoe received and introduced District Deputy President Sis. Hilda Sexsmith on the occasion of her official visit to our Lodge.

Following the business portion of the meeting, Sis. Hilda addressed the Lodge. Her topic "Friendship's Road" was very inspiring. She said that the first step in the art of friendship is to be a friend — then making friends takes care of itself. To be a friend, one should strive to lift people up, not to cast them down. It is in giving and doing for someone else that all of life's pleasures depend.

Following her address Sisters Barbara Haggerty and Doreen Ackers presented her with a gift on behalf of the Lodge, for which she expressed her thanks.

After Lodge was closed Sis. Bessie Patterson was in charge of a delightful programme in which all the Sisters took part at one time or another. An Easter Hat Parade brought the programme to a close.

A delicious salad plate luncheon was served downstairs, under the sponsorship of Sisters Olive Whitehead and Ruby Tompkins, with miniature baskets of Easter eggs on the tables, made by Sister Edna Fox. A hearty vote of thanks was conveyed to the lunch committee by Sis. Alice Hoard. This brought another Rebekah evening to a close.

Home nursing, transportation, library services and cancer dressings are all part of the Canadian Cancer Society's welfare program. To bring these services to cancer patients, they must be financed by contributions to the Society's annual campaign for funds.

Veterans Celebrate 51st Anniversary Battle Vimy Ridge

One of the most successful banquets commemorating the Battle of Vimy Ridge was held by the Belleville Branch of the Canadian Legion on Tuesday, April 9, 1968.

The packed hall was the scene of a big reunion of the comrades of World Wars I and II who relived again the campaigns of those perilous days.

Following a social hour and dinner, the gathering applauded the presentation of several Legion awards to Belleville members, and listened to the guest speaker, Capt. Allan Piper, a double amputee, and General Manager of the War Amps Tag Service. Later, a series of fine coloured slides of special services at the great monument on Vimy Ridge were shown.

An impressive feature of the evening was the Toast to the Veterans of

the 1914-1918 conflict, the silence in memory of the fallen, and the blowing of Last Post and Reveille.

A rafter-ringing sing-song of old favourites held sway for a real spell prior to the conclusion of marvellous memory-provoking celebration of a great Canadian victory.

Comrades G. Heasman, F. Houchin, F. Heasman, R. Tanner and G. Apperley, under the watchful eye of Deputy Zone Commander B. Bastedo, attended from the Stirling Branch.

Spring Brook U.C.W.

The regular meeting of Springbrook United Church Women was held in the Church Hall on Thursday evening. The table was nicely decorated with Easter lilies and the open Bible.

The President, Mrs. Geo. Williams, welcomed all. There were 32 who answered the roll call by singing an Easter hymn in unison.

Mrs. Joe Thompson was in charge of the programme. The theme "Passion Week" was very well presented with Mrs. Bill McKeown, Mrs. Ed. Bateman, Mrs. Percy Mumby and Mrs. G. McFaul taking part. A solo, "In the Garden" was beautifully sung by Mrs. Gordon Bailey.

A play "A Man Called Jesus" was presented by Mrs. Mort Reid, Mrs. Doug Andrews, Mrs. Harry Danford, Mrs. Bill Reid and Mrs. Sam Danford. The President urged the ladies to attend a workshop being held in Tweed on April 17th.

Mrs. Williams dismissed the meeting by leading in the Lord's Prayer in unison.

The hostesses, Mrs. R. Thompson and Mrs. W. Rathwell, served tea and hot cross buns to the ladies.

Wellman's U.C.W.

Mrs. Douglas Clancy was hostess for the April meeting of Wellman's United Church Women. The President, Mrs. Kenneth Tompkins, opened the meeting with a poem, "Hope of Easter Tide," by Patience Strong, followed with prayer. Mrs. Douglas Clancy acted as pianist.

Mrs. W. Fleming led the worship service. Her call to worship was a passage from Jeremiah 31. Mrs. Doug Clancy read the Scripture Lesson from Matthew 28 and II Corinthians 5. The meditation centred on the Easter Message showing the parts played by the various characters. As good stewards, Christians must carry on this work of reconciliation in the world, the community and the church. The devotional closed with prayer for renewal and an Easter hymn.

Roll call was answered with a verse containing the word "lily" and little Heather Pollock gathered the offering.

Plans were made for a tea to be held in May and a report was given of the catering for a recent wedding. It was decided to send a spotter to a member in the hospital.

The ladies were reminded of workshops to be held in April and May and a school for leaders in June.

Readings were given by Mrs. Jim Pollock "All Things Bright and Beautiful" and Mrs. Keith Clancy "Easter Flowers."

Mrs. Byron Seeley had prepared the study book on the chapter "The Challenge of New Traditions." The Christianity of the old world was made practical in Canada and adapted to the needs and conditions encountered here. Mission houses appeared in the city slums. A critical outlook and modern views appeared among Presbyterians, Methodists and Baptists. Then in 1925 the United Church came into being. The churches continued to meet grave testing during two world wars, a depression, drought on the Prairies and labour problems.

Letters from the Rev. Roy Vessey, Presbyterian Secretary, were read by Mrs. J. Carlisle and Mrs. K. Tompkins.

Mrs. Tompkins thanked Mrs. Clancy for her hospitality and those who had taken part in the meeting and closed with prayer.

The hostess and her assistants served lunch and a social hour was enjoyed.

CO-OPERATIVE CONSULTATION CORNER

CO-OP® Foxboro District Co-Operative Assoc. PLANNING A NEW LAWN?

A reader has asked about some tips on new lawns. Every year, many rural and urban home owners establish new lawns around their dream castles. How should the job be tackled?

A good lawn is the most important single part of landscaping for a home. Without it, your care and effort to create attractive plantings of flowers and shrubs is partially ineffective.

The first question often asked is whether to put down sod or to sow a new lawn. But this is not really the place to start. The first consideration, just as it is with a crop of wheat or a crop of carrots, is the proper preparation of the soil, and proper soil fertility. If these are well taken care of you may use either seed or sod with good results. On a steep slope use sod, however.

Work the soil up well, and at the same time, work in a complete fertilizer such as 5-20-20 at the rate of 25-40 pounds per 1,000 square feet.

If you are in a new home, you can't grow a good lawn on the sub-soil from a basement excavation. Take off the top five inches and replace with good soil.

Level and grade the soil carefully, then seed or lay the sod. Try to avoid seeding when the weather is hot and dry, as in mid summer. Spring or early fall are preferred times. With sod, it makes less difference provided you have plenty of water for sprinkling often and thoroughly.

Nursery sod is preferred to a cheaper grade. Pasture sod usually contains a liberal sprinkling of twitch grass, dandelions, and other weeds. Often it is made up of grass varieties ill-suited to producing a fine lawn.

If you seed your lawn, buy a good grade and mixture of grass seed.

BELL LINES

by R. W. Carleton
your telephone manager

DIGGING

Each year about this time I ask for your help. Help in keeping telephone service uninterrupted to you and your neighborhood. You see, to protect our telephone cable from most hazards, we bury much of it underground. Some of it could be buried on your real estate. With the spring months many of us start home improvement projects - planting trees or shrubs; erecting fences or patios. Before you swing into action with any such plans, could I ask you to give us a call at Bell Canada? We'll be happy to check, free of charge, to see if any cable is located on your property. Just give us a call at 114 and we'll get the information to you as quickly as possible. All it takes is a hefty thrust of a shovel or a well-sunk fence post to damage buried cable, if by chance, you should chose a spot above that cable. This damage could disrupt regular telephone service, long distance, data-sending facilities or even emergency communications that might be transmitted by telephone wire. Just to show you what can happen to our carefully buried cable, I'm including a photograph this month. Although it looks like a piece of modern sculpture, there was nothing very artistic about the mangled and torn wires left inside when a corn borer sliced into it. A shovel or fence post might not complete as pretty a job - but, it would be just as effective in disrupting communications services.

Often in chatting to different subscribers in this area I am asked questions about telephone companies other than Bell Canada. Many people seem unaware that there are many independent telephone companies which serve thousands of subscribers within Ontario and Quebec. In fact, at the end of 1967 there were a total of 241 telephone companies or telephone systems other than Bell Canada serving 425,484 telephones in the two provinces. Largest of these is Quebec Telephone which operates 138 exchanges and serves 125,625 telephones. Many of the companies are quite small. Indeed, we refer to them as systems, for they have their own lines and telephones but they terminate on the switchboards of other companies, including ours. Usually these small companies or systems serve fishing camps, game clubs, mining enterprises or lumbering camps. In Ontario there are 113 telephone companies other than Bell Canada; in Quebec 128 such companies. Included in the figures is one company in Labrador, Newfoundland which serves 2,400 telephones. In our immediate area around Stirling there is one independent telephone company. As with Bell Canada, growth of the number of telephones served by the independent companies has risen greatly over the years. In 1945 there were 924 independent companies serving 189,343 telephones in Ontario and Quebec. At the end of last year there were 241 independent companies serving 425,484 telephones. We work closely with the companies which provide service within the two provinces in which we also operate. Through our association we all work to provide the best in communications services to our subscribers.

AOTS Men's Clubs Sell Tulips To Aid Africa Service

Crossroads Africa is a yellow tulip. It is also project pushed by 125 United Church Men's Clubs throughout Canada. They want to earn enough money selling Crossroads Africa tulip bulbs to send 30 Canadian young people to Africa next year.

The tulip was selected by horticulturalist John Bradshaw, who found it in Holland.

Crossroads Africa, the project, registered this tulip in Canada and the United States in its name and started taking orders.

A package of five bulbs sells for \$1 for fall delivery. Donald R. Williams, of Stirling, National Projects Chairman of the AOTS Clubs of Canada, said. He also said that it will take the sale of 100,000 packages to raise

the \$35,000 needed for the project.

Each year Crossroads Africa sends about 220 North American undergraduates and young professions to Africa to spend a summer roughing it in work camps with Africans. They build schools, hospitals and other facilities.

In 1960 there were only 10 from Canada; this year there will be 55. Thanks largely to Crossroads Africa the tulip, there may be 85 next year.

President John L. Good of the St. Paul's AOTS United Church Club, has his men divided into two teams and they are working hard selling these fine tulip bulbs.

Riot Act Read At Campbellford To Disperse Mob

The Riot Act was used Saturday night to disperse 200 persons who became unruly after a 21-year-old man

was arrested for careless driving, at Campbellford.

The Riot Act was read by Justice of the Peace Everett Steele after several persons in the crowd threatened to break into the police station to free Wayne Outwater.

Outwater was charged with careless driving after several residents reported to police that a pick-up truck was driving around town at speeds of 70 miles an hour.

Reinforced police squads scuffled with some of the demonstrators but there were no injuries.

After the crowd broke up, police charged three men with causing a disturbance, one man with obstructing a police officer and another man with resisting arrest.

The Riot Act can be read when three or more persons assemble for a "common unlawful purpose" and display force in such a manner as to alarm authorities.

About 25 Ontario Provincial Police and police from neighbouring municipalities were sent to the town to assist the three-man Campbellford force, which was also assisted by 12 of the town's volunteer firemen.

Entered Into Rest

THOMAS BURKITT

Thomas Burkitt, of Frankford, passed away Sunday, April 7th, at the Belleville General Hospital following a lengthy illness. He was in his 76th year.

Born in Bonarlaw, he was the son of the late Mr. and Mrs. George Burkitt. He resided in the Frankford district for about 50 years.

Mr. Burkitt was an adherent of the Trinity Anglican Church at Frankford.

He is survived by his wife, the former Laura Pollard; three sons, Hugh and Jack, of Toronto, and Harry, of Belleville; two daughters, Mrs. Eric (Doreen) McComb, of Toronto, and Mrs. Ernest (Betty) Thompson, of Foxboro; three brothers, Arthur, of Bonarlaw, George, of Frankford, and John, of Belleville; and two sisters, Mrs. Alex Bush, Stirling and Catherine Burkitt, of Picton.

He was predeceased by a brother, Ernest, and a sister, Mrs. Robert Mumby.

The funeral service was held on Wednesday afternoon, April 10th, at Trinity Anglican Church. Rev. M. J. Caswell, of Stirling, officiated. Interment was in the Frankford cemetery.

The bearers were William Burkitt, Reginald Burkitt, Gerald Burkitt, Robert Burkitt, Ross Mumby and Harvey Couch. Honourary bearers were George Spencer, Carman Frost, Ray Plumpton, Harry Blecker, George Montgomery and Charles Bennett.

Commercially speaking, the Douglas fir is more valuable than any other tree.

Many old German mining terms originating in Saxony have been adopted in other languages.

Support Canadian Cancer Society

In the field of national health, the problem of cancer and its control remains one of the great challenges facing Canadians as we embark on our second Century.

We have noted with satisfaction the progress of the many units of the Canadian Cancer Society in widespread educational programs. Advances made in cancer research also are heartening.

We recognize the importance of the Society's forthcoming April campaign for funds to achieve your 1968 commitments in research, education and service to cancer patients. This voluntary initiative merits the support and understanding of all Canadians.

Winners of Crab Trees

The people who won in the draw at the Horticultural Meeting held Monday evening, April 15th, at St. John's Parish Hall, will be notified when the Crab Trees arrive.

The Village of Stirling -- Or Sleepy Hollow Hamlet -- Age 110 Years

How does our Village measure up to the enthusiasm of a highly residential, industrial and imaginative and attractive surrounding, likely to coax the youth or the young adult family, to seek out a permanent place to live in, with all facilities, etc., available

Just for a moment, may we enlarge, without prejudice, what one might find in a Sleepy Hollow Hamlet which has become of age long since, but just couldn't get past this stage of development. Why? Not because of the lack of talented people, for at one time there were excellent seats of learning here.

Today, the Oak Hills and Oak Lake area, so attractively located, could not even interest the Loyalist College, but rather place it in an out of the way location, near a railroad track and a once upon a time Rubber Factory so long gone that one would have to have a pin-pointed map and a motorcycle guide to find it.

But what of our own surroundings — so cherished by the inhabitants or villagers — mostly of Senior Citizens — highly respected. Yet, you will find open creeks, as crooked as a horse's hind leg, lazily trickling through the main area, emptying into a larger stream, infested with minnows, frogs, mosquitoes, bullfrogs and untraveled banks, which could be so interesting to both young and old.

The main intersection, which is most difficult for the modern transport with tractor and trailer to negotiate, yet could be remedied so easily.

A bank nearby, where you pay fifteen cents or more exchange on any cheque going to your neighbour seven or eight miles away, and is now considering moving to a less easily approached location, near an alleyway.

There is not even a Trust Company in town that might be attracted by a nice location if one could be found for that purpose. Yet this area is one of the finest agricultural, aggressive and highly trained farming communities, of which we are justly proud.

Still, try to find an eye specialist or even a real estate office, other than in a qualified representative's home.

By the way, there is also a Toonerville Trolley track that goes almost through the centre of the Village, with open crossings, so dangerous and obscure approaches that the whistle blows continuously from one end to the other so as to safeguard our youth on their way to seek learning, which is becoming more difficult to find (soon).

You will find, close at hand, a new building of some magnitude being erected for liquid fire water with insufficient parking accommodation and where Mother Nature has already created an embankment partly sufficient to accommodate an overpass for highway protection as well as those who have to cross this trolley track for their bread, meat and pickles.

Lighting also is of prime importance which could be called candlelight wattage and one would not be surprised to find a farm lantern being used at times, and there are so many corners, intersections and dark shadowy places that could be lit up to assist so many people, 1350 in number, to get about safely and to Church on a Sunday evening.

Yet a healthy donation is usually transferred each year to the local Council to assist in their arduous duties. The Utilities Commission even charge for a room or two when rented in one's home, extra water, hydro and sewage bills. How small can a hamlet become? Why not encourage renting accommodation and increase the population, which has stood still for so long? I question whether or not a legal survey could be procured or even found for the

Guide Report

Last Monday night Fire Chief G. C. Mouck visited the Guides and gave them a test on Fire Knowledge and Safety. We were very pleased (and surprised) that everyone of the Guides passed the test even though it was quite difficult. Thanks again Graham for helping us out.

In the past two weeks we have presented 8 Skater's badges and 3 Child Care badges. Now the girls are working on the Cook's badge and Hostess badge. If anyone is familiar with the use of Canada's Food Rules and would be willing to act as a tester, we would surely be interested in knowing.

Next Monday night instead of our regular Guide meeting we are going to visit a Guide Company at CFB, Trenton. The Guides to meet at the Community Hall at 5.45 p.m. and their meeting starts at 6.30. Make sure your uniforms are in perfect shape girls.

This Saturday, April 27th is our Girl Guide Cookie Day. The girls will be starting out at 9.00 a.m. and this time we hope to have enough to get to every house.

Please support the Guides by buying at least one box of cookies. The price is 50c per box and there is one row of chocolate cookies with filling and one row of vanilla cookies with filling.

Be watching for us on Saturday.

Hastings County Councillors Guests of Lee Grills Wed. Night

At the next general election, the Canadian people will be presented with a definite choice between the free enterprise system and the left wing socialist policies of the Trudeau administration.

Lee Grills, federal member of parliament for Hastings South, made the prediction recently when he entertained members of Hastings County Council at a dinner at Sun Valley Motor Inn. Among guests were leading local members of the Federal Civil Service. Area press and radio representatives were also invited guests at the dinner arranged by Belleville Alderman Gerald Joyce, campaign manager for Mr. Grills.

Clarke T. Rollins, provincial member for Hastings riding, said such meetings were all to the good as it gave municipal representatives and government officials an opportunity to discuss matters of interest.

Mr. Grills told the gathering that during the last 2 years, we have seen a government divided in its policies. Each cabinet minister going his own way, some on an empire building plan of his own. Without co-ordination of the entire cabinet, some programmes were brought in by some ministers for their own political expediency.

Recently the Liberal party held a very interesting convention in Ottawa, he continued. I am sure you would agree with me, that it was a good show, and like the Progressive Conservative Convention, it attracted a great deal of attention across the country.

Now, Mr. Grills said, parliament will resume next Tuesday, with renewed interest and considerable curiosity, under the leadership of a new Prime Minister, Pierre Elliott Trudeau, age 48.

And as for Mr. Trudeau, Mr. Grills said, he is a question mark to most Canadians outside Quebec!

It is my opinion, he said, that before the end of this year, a general election will be called, and at that time a Prime Minister will be elected by the people of all Canada, not by some 2000 odd delegates.

In the past, Mr. Grills continued, it has been said there was little differ-

DAYLIGHT SAVING STARTS SUNDAY

Yes, readers, that time is here again!

Saturday midnight, April 27th set that clock ahead one hour, lose an hour's sleep and roll the children out an hour early Sunday morning for Sunday School and Church services or else they and their parents will surely be late.

Monday morning the struggle will undoubtedly be very severe. Teachers will, no doubt, be confronted by sleepy pupils until around recess.

No matter how severe the results, Daylight Saving Time is here to stay until October 27th, so just remember everything is on D.S.T. for the next few months.

Oh, well, we have to have time, so let's enjoy it even if we must get up an hour earlier to see the sunrise.

Snowdrifters Hold Social Evening To End Season

On Saturday evening, April 20th, the Stirling Snowdrifters Snowmobile Club held a social evening for the members to end the season for skidoers.

A very delicious meal of Kentucky fried chicken was enjoyed by twenty-six members and six guests, followed by singing "Happy Birthday" to special guest, Chief Hicks, who in turn gave an appropriate speech and lecture for skidoers.

A few hours of story telling and cards ended a very enjoyable evening.

Lost Horse Found

A three-year-old mare, owned by Cheryl Siwek, R.R. 2, Bonarlaw, recently was frightened by a dog. The horse was lost for four days, when the Oak Hills Flying Club was called in to assist in the search. The mare was spotted in the woods by Jim Byers, of Campbellford, in apparent good condition.

Belleville Presbytery Elects Officers

At the regular meeting of Belleville Presbytery of the United Church of Canada, held in Picton on Tuesday night, the annual election of officers took place. Presbytery Chairman Donald R. Williams, of Stirling, chaired the meeting. The election of officers resulted as follows:

Chairman — Rev. H. Y. Kennedy, of Tweed
Secretary — Rev. Roy Vessey, B.A., B.D., of College Hill United Church, Belleville

Treasurer — Mr. H. C. Martin, Stirling

It is interesting to note that Mr. Martin has been the only Treasurer of Belleville Presbytery. He was first elected in Napanee in September, 1925, the year of Church Union, and has held this important position ever since.

Rev. J. Bruce Small, of St. Paul's Charge, Stirling, and Rev. W. C. Cox, of Rawdon Charge, were among the ministers in attendance Tuesday.

Intemperance

Many Senior Citizens left last Thursday with empty score cards, but dis ole Scribe noted that after the beautiful lunch served that there was one spot in each that had a tilted look. We all left smiling and burping.

Now speaking of over-indulgence reminds me of the term intemperance. Let's put it this way. Jack and Jill went up the hill — not for a drink of water. And that is why they both fell down. They drank what they hadn't order.

Weight put on by over-indulgence can be taken off by a series of reducing exercises. "Move the head firmly from side to side." Two pints make a quartet. Our real worry is the hip and rum drivers. In the old days, folks dropped in for a call but the modern trend is "folks call in for a drop".

Vice-Pres. Fred says he's had a lot of experience lately driving newlyweds to the train or air station. He is now prepared for the next pair of Senior Citizens who request his services. He has a poster with large letters which reads, "Amateur Nite" for the rear of his car.

Say, that's an idea, Fred. How about we kids putting on an amateur programme some afternoon. I think it might attract quite an audience. Imagine Murn Staley doing the Coney Island squat or Florence Hough and Mame Morton doing "the Twist". Then for a special, maybe The Padre would demonstrate "The Pole Dance". We have loads of talent in our club.

Oddfellows and Rebekahs Attend St. Andrew's Presbyterian Church

Commemorating the 149th anniversary of the founding of their Order on the North American Continent, the members of the various branches of Oddfellowship, Madoc District No. 45, attended Divine Worship in St. Andrew's Presbyterian Church on Sunday morning. The Rev. Max V. Putnam, B.A., guest minister, delivered the sermon in the absence of Rev. D. C. MacPherson, B.A., Th.B., on an exchange visit.

Members of the Oddfellows Lodges in the district paraded from their Lodge room on Charlotte St. At the Church, they were joined by the members of Laurel Rebekah Lodge, No. 211.

The Rebekahs were marshalled by Sis. Neva Vandervoort and the Oddfellows by Bro. R. E. Fox. Bros. Blake Faulkner and Don Walker were the standard bearers.

The lessons were read by Bro. Glenn Clarke, District Deputy Grand Master of Madoc District No. 45, and Sis. Verna Woodbeck, Noble Grand of Laurel Rebekah Lodge, No. 211. During the service, Sis. Anne McInroy rendered a solo. Organist was Sis. Mildred Morrow.

Rev. Putnam Guest Minister

Rev. Putnam chose as his subject "The Marks of a Vital Church". The speaker spoke very strongly on the work of the church. Rev. Putnam noted that there was a serious decline in the worshipping habits of today's church. One reason, he pointed out, was the lack of personal relationship with Jesus Christ. He challenged his listeners to witness openly and enthusiastically for the Christian Church.

To Start Work On Highway 14

Clarke T. Rollins, M.P.P., Hastings Riding, states that he has been advised by the Hon. Geo. E. Gomme, Minister of Highways for Ontario, that clearing and fencing will be started this year on Highway No. 14 from Foxboro Diversion, northerly to the southerly limits of Village of Stirling.

This will be the first stage in the reconstruction programme for this section of No. 14 Highway.

Discover Your Genuine Selfhood

Many people are interested in self-improvement; few seem completely satisfied with themselves as they are. Some seek to change their physical appearance through a different hairstyle or a more attractive mode of dress. Others try to stimulate or broaden themselves mentally through courses in personality development or in subjects of a general nature. But the most effective way to better oneself is to discover and bring to light one's genuine selfhood.

Turning to the Bible as a guide, we learn that to know God is to know man, because, as the first chapter of Genesis tells us, God has made man in His own image. This is no abstract statement but the starting point in our search for our true identity. The Bible also declares that God is Spirit, or good, and has made everything good.

Mary Baker Eddy, who discovered and founded Christian Science, was greatly enlightened and divinely inspired by her diligent search of the Scriptures. Her book "Science and Health with Key to the Scriptures" amplifies Bible teachings. It ex-

plains that God is the one infinite, incorporeal Mind and that man is the emanation of Mind, a spiritual idea, not a physical being.

Because Mind has made everything good one's true identity is found in the goodness he expresses. Science and Health states (p. 294): "Man's genuine selfhood is recognizable only in what is good and true. Man is neither self-made nor made by mortals. God created man." As one acknowledges and lives in accord with the basic facts of creation, his genuine selfhood is revealed more and more clearly.

Paul, the Apostle wrote II Timothy 2:15, "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." Such a workman was Christ Jesus. He was a perfect witness to Spirit and hence a perfect example for all mankind to follow.

Stirling W.I. Annual Meeting

The annual meeting of the Stirling Women's Institute was held on Wednesday, April 10th, at the home of Mrs. Floyd Bartlett, with a nice number of members out with two visitors and the usual small boy.

The President, Mrs. Clifford Clancy, opened the meeting in the usual way and welcomed the visitors for the day.

Roll was called by the Secretary, Mrs. F. Smith and was answered by each one paying dues and offering homes for meetings this coming year.

Minutes of the last meeting were read and approved and correspondence attended to. Mrs. Wm. West gave the financial report in detail.

Mrs. Morley Aythart expressed thanks on behalf of Mrs. David Luery for the donation to the Heart Fund in place of flowers for Mr. Luery's funeral.

A \$5.00 donation was also sent to the District Treasurer to help defray expenses in that department. A few other bills were also handed in and paid.

Miss Lenora Williams, Assistant Director, gave her report from the Annual Directors meeting held in Belleville recently.

The Institute was honoured to have the District President, Mrs. Gerald Irvin presented as one of the visitors and she very kindly conducted the election and installation of officers for the coming year. They are as follows:

Past President — Mrs. Frank Smith

President — Mrs. Clifford Clancy

1st Vice-President — Mrs. Arnold Wannamaker

2nd Vice-President — Mrs. Chas. Hicks

Treasurer — Mrs. Wm. West

Secretary — Mrs. F. Smith

District Director — Mrs. Morley Aythart

Assistant District Director — Miss Lenora Williams

Branch Directors — Mrs. Morley Aythart and Mrs. Chas. Hicks

Auditors — Mrs. Floyd Bartlett and Mrs. A. Wannamaker

Pianist — Mrs. Earl Luery

Assistant — Mrs. David Luery

Standing Committee

Convenors

Home Economics — Mrs. B. Reid

Health — Mrs. A. Wannamaker

Citizenship — Mrs. Morley Aythart

Education — Mrs. E. Foster

Horticulture — Mrs. A. Wannamaker

Historical Research and Current Events — Mrs. Earl Luery

Canadian Industries — Miss Lenora Williams

After all members pledged themselves to their own duties and the support of each other, Mrs. Ervin gave a splendid talk on the work being done and the special achievements in the Centennial year, which was very much enjoyed by all.

Mrs. Clancy thanked Mrs. Irvin for helping with the election and installation and for the lovely talk and presented her with a small gift to remind her of her afternoon with the Stirling Institute.

The meeting closed with the Queen and the ladies enjoyed a sumptuous lunch provided by the hostess, Mrs. Bartlett and Miss Lenora Williams.

On Championship Hockey Team

Lake Vista Park No. 1 team captured the Oshawa Neighbourhood Associations Mite Hockey League "A" Championship.

Bruce McIntosh, who has played all season with the fifteen players as defenceman, was among the excited boys. They achieved this position by only losing one game all season.

Bruce was also chosen as an all-star player from several parks in the city, playing many exhibition games. He scored nine goals all season. This has been his first year of playing hockey.

Bruce is the grandson of Mr. Clifford Clancy and Mr. Sheldon McIntosh, of Stirling, and son of Mr. and Mrs. James McIntosh, formerly of Stirling.

Free Rabies Clinics

As a measure to combat the incidence of rabies reported in the Quinte area this year, free rabies clinics will again be offered in Hastings County this year.

County councillors yesterday voted to stage the rabies clinics as the result of a request to the ARDA committee by the Tyendinaga township.

Sub District Veterinarian Dr. J. F. McCorquodale in a letter to the ARDA committee said the Department of Agriculture, Health of Animals Branch, was prepared to establish the rabies clinics again this year.

The clinics will be held at the same centres as last year and in all probability will be during the month of May.

\$330,048 Received From Ont. Govt. For Bancroft Home

Clarke T. Rollins, M.P.P., Hastings Riding, reports that he has been advised by the Honourable John Yarmenka, the Minister of Social and Family Services that a second payment in the amount of \$264,038.40 was forwarded to Clerk-Treasurer C. E. Bateman, of Hastings County, for the construction of the new County Home for the Aged in Bancroft.

On August 17th, 1967, a cheque in the amount of \$66,009.60 was forwarded towards construction of the Home. The Ontario Government shares one-half of the cost of construction and furnishing the Home.

Carmel Unit of St. Paul's UCW

Mrs. Jack Armstrong was hostess

at her home for the April meeting of the Carmel Unit of the U.C.W. on Thursday afternoon when 17 ladies were present.

The leader, Mrs. Ray Keating, opened with a call to worship and a welcome to all. Mrs. Ernest Grills read the Bible lesson and Mrs. Keating gave the commentary on the Easter theme.

The visiting committee, Mrs. Harry Brown and Mrs. Arthur Fyare reported 27 calls at the Hastings Manor and Maple Haven Nursing Home and several other members reported calls made.

Mrs. Ron White opened the programme on the theme "Joy" by a minute reading. Mrs. John Grills read an Easter poem. Mrs. Robert Hearns and Mrs. Tom Grills gave a skit "Encounter", followed by a discussion on it.

The hostess served lunch and appreciation was expressed.

United Church Women Faith Unit

The Faith Unit (No. 4) of St. Paul's United Church Women met in the church room on the afternoon of April 16th, with a most encouraging attendance.

Mrs. C. H. David, the April Committee hostess welcomed the ladies as they arrived.

Mrs. Geo. Carlisle, the President, opened the meeting with a thought on the charm and blessing of the Easter season, followed by a hymn and opening prayer.

Business was first dealt with and reports made by Secretary, Mrs. V. Richardson, and Mrs. J. B. Hough, treasurer. Mrs. M. Aythart reported seven boxes of good clothing sent to Toronto, a special request. The Birthday Box was quite popular. Mrs. Ross Bush mentioned two events taking place in May, namely, The Festival of Sacred Praise and the Banquet for the Girl Guides.

An invitation was received from Wellman's United Church Women to a tea to be held on May 1st.

Worship

Mrs. Harold West led in the Worship Service. She was assisted by Mrs. H. David, Mrs. Claude Tucker and Mrs. D. Cook, who read the passages of Scripture. Mrs. West gave the commentary, the subject being "God Is Not Dead".

A few verses from several selected hymns were much enjoyed with Mrs. B. Stapley as pianist for the afternoon meeting.

The offering, gathered by Mrs. Milton Bird and Mrs. Clayton Wright, was dedicated by Mrs. West, closing the service with prayer.

Study

Mrs. Volney Richardson continued

the study from "Panorama of the Bible", by J. B. Corston. This followed the story of Amos, the prophet, who had deep spiritual and moral insight. Other prophets there were, whose aim was only to please their listeners. There were fake prophets as well as true ones. The story was told of the King of Judah asking Ahab, the King of Israel for help to battle against the Syrians. Accordingly, the prophets were called — 400 of them. They predicted victory, but one, Micaiah, predicted defeat. He was right. He was a prophet of the Lord, and the others of Baal. True prophets such as Elijah and Jeremiah wished to make men realize God's purposes are just and good and to warn people of results of wrong doing. To this day, their writings challenge and inspire those who read the Bible, to open their wills to the will of God, Creator of all.

Mrs. Carlisle thanked Mrs. Richardson for her splendid explanation of the Study on Prophecy, and closed the meeting with prayer.

Afternoon tea served by the April Committee was much enjoyed and Mrs. A. Brooks voiced appreciation.

An important message to farmers:

CROP INSURANCE

Protects you, your crop... and your credit... with low-cost, comprehensive coverage against the hazards of Hail, Wind, Drought, Frost, Flood, Plant Disease, Insect Infestation, Excessive Moisture and Excessive Rainfall. Apply for coverage now

To insure spring grains

— apply by May 15

Crop insurance is a guarantee of production. Select the coverage you want — 60, 70 or 80% of your average yield of oats, barley, mixed grains — and if your yield is below the guaranteed level, the insurance makes up the difference.

To insure forage

— apply by May 1

Designed to meet the needs of both dairy farmers and cattlemen, this coverage insures seeded pasture, hay, hay silage, corn silage — at \$15, \$20, or \$25 per ton of hay or hay equivalent — with premiums as low as 83 cents per ton. Select your coverage on the basis of what you would have to pay for forage next winter if your crops failed.

To insure grain corn, soybeans — apply now

The recent introduction of two new insurance plans gives coverage for grain corn and soybeans. Corn is covered against the added hazard of wildlife damage. These crops can be insured for 70% of your average yield at the established prices of \$1 per bushel for corn and \$2.50 per bushel for soybeans. Final application dates for insurance on these crops vary — for the deadlines in your area, check with your local agent, or write us direct.

\$15 down

A \$15 deposit on your premium secures your crop insurance contract — with the balance payable when you report your seeded acreage.

NEW, 'NO-CLAIM' DISCOUNT

Federal and Ontario Government subsidies cover 30% of all premium costs — and a new discount scheme reduces premiums still further. A cumulative premium discount of 5% under each plan is allowed each year to contract holders who have not reported claims — up to a maximum discount of 25%.

The prudent farmer insures his crops for the same reason that he insures his buildings, machinery, equipment and livestock.

For more information or details on insuring your crops, see your local agent — or write direct to:

Fed. Agriculture Zone 5 Spring Rally

On April 8, the Counties that comprise Zone 5 which includes Lennox and Addington, Prince Edward, Hastings, Northumberland, Durham, Peterborough and Victoria met at the Agricultural Service Centre at Brighton for a full day of addresses, discussions and expression of opinion in regard to Agriculture. The morning session was Mr. Keith Matthie of Algonquin, in Grenville County. Mr. Matthie is a member of the sixteen man committee appointed by the Department of Agriculture to study the unification of the two farm organizations in Ontario. In Grenville County the farmers have joined forces creating a new organization known as Grenville United Farmers. All farmers giving support except one small Farm Union local. Compromises on both sides and getting down on paper their aims and objectives have made it fairly easy to work together with one objective.

After discussion on farm unity it was decided to ask that the report of the sixteen man committee be shown on Country Calendar as soon as the report is published.

Mr. Lyle Atkinson, Commissioner of the Federal Dairy Committee, gave a complete outline of the dairy policy for the year starting April 1. He was introduced by Mr. Lee Grills Dairy Critic of the Federal Agricultural Committee. Recommendations from the floor asking that a long term policy be established. Young farmers buying farms or taking over the home farm is in no position at the present time to make definite plans for pay-

ment in future years from the sale of milk.

Coverage of the poultry industry and information on the egg vote to be held April nine and ten throughout the Province was given by Mr. Lorne Reynolds.

The check off on beef animals of ten cents on each adult animal and five cents on each calf was introduced by Mr. Bruce Taylor and later covered by Mr. Russell Rowe M.L.A. for Northumberland County and member of the Provincial Agricultural Committee. This bill has passed two readings in the Legislature and will be passed shortly.

Mr. James Dick of Prince Edward County commented on vegetable growers problems. There is a very large surplus of canned tomatoes and housewives should be advised it would be more economical to use more canned tomatoes instead of buying tomatoes on packages. The market has been flooded with imports from Mexico and other countries.

Mr. Alcombrack M.L.A. for Prince Edward, Lennox, Mr. Clarke Rollins M.L.A., Hastings and Mr. Hugh Falkner, Federal Member for Peterboro were present at the Meeting.

A resolution from Peterboro County requesting consideration be given to future needs for the drainage by Department of Highways where construction of highways will interfere with tile drains installed at a later date. Approval of the meeting was given after it was discussed.

President of the zone is Wilfred Forestell of Madoc. Mrs. Calnan of Amellsburg is Secretary. Next Zone meeting will be held in October.

Funeral of Late Cecil Carter

Funeral service was held April 16th, 1968, for Cecil Carter, R.R. 1, Harold, Ontario, a 60-year-old resident of the district.

Mr. Carter died at his home on Thursday, April 11th.

Born at Beamers, Ont., son of the late Mr. and Mrs. Frederick Carter, he was a farmer. He was a member of Bethel United Church.

He is survived by his wife, the former Elizabeth Helen Bruce (Nelle); a daughter, Mrs. Carl Vilneff (Audrey), R.R., Harold, and a son,

Ted Carter, at home. He was predeceased by a son, Raymond.

Also surviving are five sisters and a brother, Mrs. Percy Brown (Gladys), Oakwood; Mrs. Arnold Wannamaker (Mildred), Demorestville; Mrs. Adam Kelly (Pearl), Toronto; Mrs. James Begley (Eunice) and Mrs. Leo Luccola (Doris), Belleville, and Arthur Carter, Deseronto.

The funeral, under the direction of the Rushnell Funeral Centre, Trenton, was held at Bethel United Church. Rev. W. C. Cox officiated. Interment was in Stirling Cemetery.

Bearers were James York, Clare Tanner, Arnold Ray, John Courtney, Earl Lidster and Ray Gunter.

Dollars and Good Sense

This column is a regular weekly feature prepared by the family Financial Counselling Service of the Avco Delta Corporation, P.O. Box 2820, London, Ontario. All questions submitted to the above address will be answered, in print or by return mail. Names will not be used in print. However, all questions should be accompanied by a complete name and address.

QUESTION — Dear Sir: Every Christmas season I end up scrimping and scratching to come up with enough money for gift purchases. Several of my friends have advised me to join a Christmas Savings Club. I like the idea of getting a check each year, but... what's your opinion. Are Christmas Savings Clubs a good idea?

R. E. H.

Answer — More trouble... this time with the banks, but the truth of the matter is, there are two sides to the Christmas Savings Club story. The positive side is that many people most, I regret... simply will not voluntarily set aside a certain amount each payday throughout the year for the extra expense that comes at Christmas time. The Christmas Club provides an organized vehicle through which they make this savings

effort. The coupon book, the regular due date, etc., motivate this savings and the money is put where you can't touch it until the pre-Christmas period. So for those who just can't save on their own, the savings club is a good thing.

However, it seems a shame that these people are, in effect, depositing their money in a bank and getting absolutely no interest on their savings. The bank is using their money throughout the year and paying not one red cent for it. You might as well be putting your money under a mattress (except that banks don't burn up). My recommendation would be to open a regular savings account... one that pays a fair amount of interest... at the first of the year and make regular deposits into that account instead of the non-interest-paying Christmas Savings Club. All it takes is will power.

FERTILIZER MAKES A DIFFERENCE WITH LAWNS

In a previous column, we discussed the important question of getting a new lawn off to a flying start. A job well started is half done, but the follow up is important too.

Established lawns do best with several applications per summer of a balanced fertilizer such as Fertilin 10-6-4 turf fertilizer. The 1st applications should be made just before growth starts in the spring, the second in May. A third application in June will ensure that the turf is vigorous before the mid-summer dry period sets in, and a final application in late summer or early fall will prepare the plants for winter.

The usual Application rate is about one pound of fertilizer for each hundred square feet of lawn. Be careful to distribute the material evenly so that the lawn will look even and not have a streaky appearance.

When you water an established lawn, soak it well. Wet the soil to several inches deep. This will encourage vigorous root growth and develop plants that stand dry weather better, and make good use of the fertility in the soil. Set a pan under the sprinkler and move the sprinkler when the pan contains an inch and a half of water.

Cutting the grass too short is hard on a lawn. Lawn grasses must manufacture plant nutrients in the leaves. If the grass is clipped too short there is too little leaf area to do the job.

Trim the lawn often to keep it neat and attractive looking, but extra short cutting will not improve the looks or permit longer between cuttings. Most experts advise setting the mower to cut about an inch and a half above the ground.

Extra short cutting also exposes the roots to the heat of the sun and thus damages the plants still more. First thing in the spring, it is well to allow the grass to get extra long before the first cutting. The plant is developing a new root system after the winter and early cutting weakens it. During September, get a little extra top. It is at this time, during the last long warm days, that the food reserves in the root are built up to give the plant extra winter hardiness.

Good luck with that lawn this year. Let's hope it is greener and thicker than ever. I'm sure a little extra attention will be well repaid in more attractive appearance.

REPORT

MADOC DETACHMENT

April 7th to April 13th —

During the week of April 7th to April 13th, 1968, officers of the Madoc Detachment of the Ontario Provincial Investigated nine motor vehicle accidents all of a property damage nature.

An accident involving vehicles driven by Jean Mary LaJoie of R.R. 3, Tweed, and Neil Joseph Trudeau, of R.R. 4, Stoco, occurred on Saturday, April 13th, resulting in approximately \$900.00 total damage.

There were 51 reported occurrences; 1 for theft, 2 break and enters, 2 requests for assistance, 4 disturbances, with 42 miscellaneous occurrences.

Thirty-seven vehicles were safety checked during this week, with 61 traffic warnings and 51 traffic charges laid under authority of the Highway Traffic Act of Ontario.

Approximately 4,350 miles of area roads were patrolled during 480 working hours.

Ten hours were spent in Magistrate's Court, Madoc, with Magistrate R. C. Jackson registering 35 convictions.

Madoc Detachment has had a change in Detachment Commanders as of April 1st with Sgt. J. T. Tullock leaving to become officer-in-charge of Tillsonburg Detachment. Sgt. C. Kotwa is now in charge of Madoc Detachment. Sgt. Kotwa has served with the Force for sixteen years. He comes here from Oak Ridges Detachment and prior to that was posted in Northern Ontario.

Bethel UCW

The regular monthly meeting of Bethel U.C.W. was held April 18th in the Church Hall. Mrs. Don Heath opened the meeting with a thought for meditation "He Lives Within My Heart".

Mrs. W. Cox was in charge of the Worship Service and program, opening with prayer followed by The Easter Story according to John; read by Mrs. E. Broadworth. The Hymn

"Jesus Christ Is Risen Today" was sung and Mrs. H. Elliott led in prayer. The offering was gathered by Lori Ann Holden and dedicated by singing the Doxology. Mrs. Cox gave the meditation on the Theme "The Easter Message". The Hymn, O Jesus Christ Grow Thou in Me, was followed by prayer.

A poem "The Nails of Calvary", written by Mrs. Myrtle Broadworth was read by Mrs. H. Holden.

Accompanied by Mrs. Cox, Mrs. H. Elliott sang a solo "Have You Read The Story". All took part in a quiz on "Easter" and the Lord's "Last Day". A reading "The story of the Resurrection by Dan McGrew", was given by Mrs. T. Laycock.

Mrs. D. Heath conducted the business session. The Roll Call, an Easter verse was answered by 24 members and visitors, also 2 small children present.

There will be a school for U.C.W. members in the latter part of June at Albert College, Belleville. Plans were made for future catering. The buying of a new door and a gift were discussed. The Roll Call in May will be "Maiden Names". The meeting closed with the Benediction.

A tasty lunch was served and a social half hour enjoyed. Mrs. M. Johnson thanked the hostess Mrs. T. Laycock and those who helped to make this a well enjoyed afternoon.

Secondary Schools In Stirling, Marmora Priced at \$145,741

The price for the purchase of secondary schools in Marmora and Stirling by the Central Hastings Public School Board has been set at \$145,741.

The two schools will be sold by the Bay of Quinte High School Board at the end of the school year.

Students attending the schools will transfer to either Belleville or Centre Hastings High School in Madoc.

At a Bay of Quinte board meeting in Marmora last night it was revealed that the Marmora School would be sold for \$116,118 while the Stirling School would be sold for \$29,623.

The prices were worked out from a Department of Education formula used in the sale of secondary schools to public school boards.

Earlier separate school authorities protested the method to calculate the price.

A change in the method using a two per cent depreciation figure, on

the cost of the units, was used but a second suggestion by separate authorities could not be handled under provincial government regulation.

At Marmora the Central Hastings Public Board will be getting a school with ten instructional units. The first section was built in 1950 with an addition in 1957.

The total original cost of the school, based on a value of \$25,000 per unit, was \$250,000. It consists of six classrooms, one agriculture science room, a shop, home economics room and a gymnasium.

The older Stirling School consists of 13 units with an original value of \$425,000. There are five classrooms, one commercial room, two science labs, one home economics room, one music and lunch room, a library classroom, one shop and a gymnasium.

The first section was built in 1927 with additions in 1938 and 1961.

Bay of Quinte authorities expect the transfer of students from these schools will generally lower the cost per pupil in educating the students.

The cost factor at the present schools is higher than it would normally be in the larger units.

An addition is planned at Madoc to handle the extra students while Centennial School in Belleville has the capacity to handle students from the Stirling area.

The Bay of Quinte Board will probably have to rent space at the Madoc Armouries for classes next fall. The addition at the Centre Hastings School, which will double the capacity from 600 to 1,200 students, cannot be completed in time for the fall term.

Report from Hastings and Prince Edward Health Unit

During the month of March, 1968, a great deal of time has been spent on explanations of the new regulations governing Food Premises. These new regulations cover all aspects of food preparation, processing, storage and handling before reaching the public. Considerable expenses are, and will be involved on the part of the persons concerned.

A survey of private water supplies has been completed in connection with a proposal for the sewer extensions in Frankford. This involved ascertaining types of water supply and means of waste disposal at approximately 35 private premises.

Work has again started on septic tank disposal system and for the next 8 months an increasing amount of time will be delegated to this service.

There have been no communicable disease investigations outside of the routine inspections relative to suspected cases of rabies. There were 5 positive cases of rabies in wild animal life, but no humans were involved.

More Crops Can Be Insured Against Loss

"Farmers are now able to insure more crops against hazards such as hail, drought and wet weather", stated A. G. Teskey, economist, Kemptville College of Agricultural Technology. In addition to the spring grain and winter wheat plans, the Crop Insurance Commission of Ontario will now insure grain corn, forage crops and soybeans.

Mr. Teskey pointed out that "farmers should contact their local crop insurance agent well in advance of the final date for application. These final dates for applying are May 1 for forage crops, May 15 for spring grain and about May 25 for grain and soybeans." If a farmer does not know his local crop insurance agent, he can contact an agricultural representative. As well as applying before the deadline, farmers must also have their crops planted by a certain date to qualify for crop insurance coverage.

Crop varieties which the Commission will insure are normally those recommended in the Department of Agriculture and Food bulletin, 1968 Field Crop Recommendations".

way, by pen, pencil and paper, of more. In these thriving days, particularly a Company of this magnitude, this is not a thrifty condition and is absolutely disgusting. We want action now, not months from now, as so politely suggested. I feel that this should be brought to the attention of both Local Municipal and Provincial Governments. This is not a disaster area, but urgently needs prompt attention.

Please do not forget that there are Curling, Lawn Bowling, Alley Bowling, Ice Skating and Hockey. Also, a Community Hall for entertainment by local talent once a week, well organized by one family, and they are to be greatly complimented on their efforts.

What also is greatly needed is a Manor for our Senior Citizens.
